

# EUROPE FIXED RANGE TRAINING CALENDAR FOR H1 2025

---

Fixed Gas and Flame Detectors

---

**Honeywell**

## Honeywell is proud to offer Training for the Fixed Gas and Flame Systems.

Honeywell's comprehensive program offers an opportunity to enhance customers proficiency in fixed gas and flame detection, helping ensure that customers and their team are equipped with essential safety skills.

Please refer the separate training brochure to know the detailed scope of training for the below courses.

Schedule for each training is listed below with price.

To reserve the seats, please email to [trainingrequest@honeywell.com](mailto:trainingrequest@honeywell.com)

### OPERATION AND USAGE TRAINING

**This program has been developed to introduce the new user to fixed gas controllers and transmitters and provide them with a foundation of knowledge on which they can build. This is optimum for new hires and workers involved with commercial and/or industrial applications.**
