Honeywell

TECHNICAL BULLETIN

TECHNICAL BULLETIN #143

SUBJECT: Mandatory Upgrade of PosiChek3
                         Titanium Software to USB Software

DATE: March 24, 2015

PRODUCTS AFFECTED: All Honeywell/Sperian/Survivair SCBAs

This Technical Bulletin requires all users of the Honeywell/Sperian/Survivair PosiChek3 Titanium software to upgrade their operating software and PosiChek hardware to the USB platform.

This upgrade is only available through Honeywell Analytics. You must contact Honeywell Analytics for a Return Authorization Number to get your PosiChek upgraded.

Please call: 800.711.6776 for details and pricing information.

Mandatory Change:

Customers purchasing or upgrading to the Honeywell *Titan™ SCBA 2013* version must upgrade **prior** to receiving their SCBAs.

All other SCBA users are required to upgrade at the next calibration of their PosiChek3 test bench.

The PosiChek Titanium software will no longer be supported as of May 31, 2016.
