# TECHNICAL BULLETIN #144

**SUBJECT:** Service Center Technician Certification/  
Service Center Requirements

**DATE:** June 1, 2015

**PRODUCTS AFFECTED:** All Honeywell/Sperian/Survivair SCBAs

This Technical Bulletin is to remind all service providers for Honeywell/Sperian/Survivair respiratory protection equipment that our service contracts are location-specific, not company-specific. Each company location wishing to apply to perform service on Honeywell/Sperian/Survivair respiratory protection equipment must have a signed Agreement on file prior to performing service or sending technicians to a technical training course.

This applies to all providers doing service for hire.

**Please call: 800.711.6776 if you have any questions.**
