

1. Applicability. Purchase orders placed by Buyer (“**Order**”) for the purchase of: (a) products, including without limitation, end items, line replaceable units and components thereof and those returned for repair, overhaul, or exchange (collectively referred to as “**Products**”) (b) services to support a defined customer requirement (“**Services**”), (c) software, firmware or similar intangible materials and any related Documentation, data files, modules, libraries, electronic data, models, components and elements made available by Honeywell and includes any updates, upgrades, error corrections, changes or revisions delivered by Honeywell to Buyer (“**Software**”), or (d) any online or cloud-based service or feature made available by Honeywell as identified in the Purchase Order (“**SaaS**”) will be governed solely by these conditions of sale set out in this document (“**Agreement**”), unless and to the extent that a separate contract is executed between Buyer and Honeywell. Buyer is defined as the procuring party and Buyer and Honeywell are collectively referred to as the “**Parties**” and individually as a “**Party**.” Products, Services, Software, SaaS and/or other offering(s) or related materials or rights for which Buyer has contracted and are identified in any Order issued under this Agreement are “**Offerings**”. This Agreement will apply to all Orders for Offerings whether or not this Agreement is referenced in the Order. In the event a separate contract incorporating this Agreement is executed between the Parties, where applicable, references to “Order” within this Agreement may refer to the contract between the Parties. Any Orders provided by Buyer under this Agreement serve to identify the information referenced above and shall not, in themselves, create any commitment binding upon the Parties. “**Fees**” means the amounts payable by Buyer to Honeywell under the terms of this Agreement or any applicable Purchase Order. “**Honeywell**” means the relevant Honeywell entity listed on the order acknowledgement. “**Documentation**” means any documentation (including any technical or legal requirements) specifically provided with an Offering (or otherwise specifically referenced in this Agreement or any Purchase Order), but excluding marketing materials, customer correspondence and similar collateral. “**Affiliates**” means any entity that controls, is controlled by, or is under common control with, another entity. An entity “controls” another if it possesses directly or indirectly the power to direct the management and policies of the entity.

2. Purchase Orders. Buyer shall have access to, maintain access, and use Honeywell’s specified Electronic Data Interface (“**EDI**”) or at Honeywell’s direction another requested web portal or platform. Buyer Purchase Orders and changes will be transmitted to Honeywell via EDI or other Honeywell designated web portal platform. Purchase Orders will specify: (1) Purchase Order number; (2) Honeywell’s part number including a general description of the Offering(s); (3) requested delivery dates, which will be no shorter than the published or contracted lead time; (4)

price (non-catalog prices must reference either a valid Honeywell contract or quote number); (5) quantity; (6) location to which a Product is to be shipped; (7) any special routing, packing, labeling, handling or insurance requested by Buyer, if applicable (with the understanding that this may result in additional Fees payable); and (8) location to which invoices will be sent for payment. Purchase Orders are subject to Honeywell’s acceptance explicitly in writing or upon Honeywell’s delivery of an Offering. Honeywell reserves the right to limit Order quantities. For avoidance of doubt, Honeywell’s order acknowledgment will not constitute acceptance and Honeywell reserves the right to reject any Order in its sole discretion and for any reason. Any Orders provided under this Agreement serve to identify the information referenced above and shall not, in themselves, create any commitment binding upon the Parties. For the avoidance of doubt, references to any Order under this Agreement shall not include any terms and conditions from Buyer contained therein, it being the agreement of the Parties that the terms and conditions in this Agreement shall be binding.

3. Delivery. (a) Delivery Liability. Delivery and shipment dates for Offerings are estimates only. Deliveries may be made in partial shipments. Honeywell will not be liable to Buyer or any third party for any damages or penalties whatsoever, whether direct, indirect, special or consequential (including, without limitation, liquidated damages in Buyer’s contracts with its customers), resulting from Honeywell’s failure to perform or its delay in performing, unless otherwise agreed in a signed written document by an authorized representative of Honeywell. Notwithstanding the foregoing, if Honeywell delivers a quantity of Product in excess of the quantity ordered by Buyer, or a type of offering different than that ordered by Buyer, Buyer may return such excess or different Product to Honeywell within 60 days after invoice at Honeywell’s cost for a full refund. Additionally, Honeywell shall bear the cost of redirecting shipments made to a location other than that set forth in the Order if caused solely by its error. Buyer is liable for any delays or increased costs incurred by Honeywell caused by Buyer’s acts or omissions including, without limitation, all costs Honeywell incurs for redirecting shipments due to any incorrect information or address Buyer or its representatives provide. (b) **Delivery Charges.** Delivery terms for Products are (i) FCA (Incoterms 2020) Honeywell’s point of shipment (“**Honeywell Dock**”) for all international shipments and (ii) Ex-Works (Incoterms 2020) Honeywell Dock for all domestic shipments. (c) **Early Delivery & Future Delivery.** Honeywell will schedule delivery in accordance with its standard lead times unless the Order states a later delivery date or the Parties otherwise agree in writing. Orders will be accepted with a future ship date of up to twelve (12) months from the date of order entry, unless otherwise agreed to by the Parties. Honeywell reserves the right to ship Orders earlier than scheduled delivery dates. Early shipments will be processed using the same method and carrier identified in the Order. Without imposing any

liability on Honeywell in respect of any delays for non-performance, if Buyer requests a delivery date for an Order shorter than standard lead times that Honeywell accepts, Honeywell shall be entitled to assess an expedited freight fee on such Order. If Buyer does not accept delivery of shipment at any time, Honeywell reserves the right to store the Product pending delivery, and Buyer shall be responsible for all costs associated with storage, insurance, re-delivery and associated logistics. Title will pass to Buyer upon delivery in accordance with the delivery terms set forth above.

4. Product Shipping. Honeywell shall use reasonable efforts to ship Products to Buyer in accordance with the shipment schedule provided to Honeywell by Buyer. Honeywell reserves the right to ship Products as early as five (5) business days prior to the requested shipment date in order to accommodate Honeywell's overall shipment schedules. Notwithstanding the foregoing and without limiting the generality of this Section, Honeywell shall not be liable for damages of any kind as a result of a delay in shipment for any reason. Buyer may change a previously requested shipment date for any standard Products (i.e., Products other than custom or made-to-order Products), provided that Buyer gives Honeywell written notice of such change at least thirty (30) business days prior to the previously requested shipment date. Except as provided above, Buyer shall not be entitled to change a previously requested shipment date or cancel an Order for any Products except with Honeywell's prior express written consent, which consent shall be in Honeywell's sole discretion. If Honeywell gives its consent pursuant to the preceding sentence but any Products involved have already been shipped to Buyer, then: (1) Buyer shall return the Products to Honeywell and pay all related shipping, handling, customs and insurance charges (for both shipping the Products to Buyer and returning the Products to Honeywell); and (2) Buyer may be charged by Honeywell a restocking fee to cover rework and handling fees.

5. Acceptance. (a) Products: All Products are presumed accepted unless Honeywell receives written notice of rejection from Buyer explaining the basis for rejection within 30 calendar days after delivery. Buyer must disposition rejected Products in accordance with Honeywell's written instructions. Honeywell will have a reasonable opportunity to repair or replace rejected Products, at its option. Subject to the terms of the article titled "Taxes", Honeywell assumes shipping costs in an amount not to exceed actual reasonable direct freight charges to Honeywell's designated facility for the return of properly rejected Products. Buyer will provide copies of freight invoices to Honeywell upon request. If Honeywell reasonably determines that rejection was improper, Buyer will be responsible for all expenses caused by the improper rejection. **(b) Services, Software, and SaaS:** Buyer will inspect Services, Software and SaaS within 10 calendar days after

delivery or completion of Services, as applicable. Services, Software and SaaS will be deemed accepted unless Honeywell receives written notice of rejection explaining the basis for rejection within such time. Honeywell will be afforded a reasonable opportunity to correct or re-perform rejected Services, Software and SaaS, which shall be Buyer's sole and exclusive remedy for unaccepted Services, Software and SaaS by Buyer. Buyer further agrees that partial or beneficial use of Services, Software or SaaS by Buyer prior to final inspection and acceptance will constitute acceptance of such Services, Software or SaaS (as applicable) under this Agreement. If Honeywell reasonably determines that rejection was improper, Buyer will be responsible for all expenses caused by the improper rejection.

6. Changes. Honeywell may make available to Buyer updates or upgrades to the Offerings in its sole discretion, but has no obligation under this Agreement to do so, and reserves the right to charge additional Fees for new or improved features or functionality or discontinue any Offering. Honeywell reserves the right to make changes in the Offering design without obligation to make equivalent changes to any Offerings previously supplied to Buyer.

7. Prices. Unless otherwise specified in writing by Honeywell, prices for Offerings shall be as set forth in the Honeywell price book in US Dollars at the time an Order is accepted. Prices, terms, conditions, and Offering specifications are subject to change without notice; provided, however, that Honeywell will endeavor to provide at least thirty (30) days' written notice of any changes. Pricing is subject to immediate change upon announcement of Offering discontinuance. Honeywell reserves the right to correct any invoices noting incorrect pricing at any time, including, without limitation, invoices previously paid by Buyer.

Honeywell reserves the right to monitor Buyer's Orders during the period between notification of and the effective date of any price increase, if any. If the dollar value of Buyer's Orders during that time period is two percent (2%) higher than monthly forecasted or historic purchases determined by averaging the prior three (3) months, Honeywell reserves the right to charge the increased price on the excess.

All Orders with price deviations or promotional pricing require the appropriate promotion or deviation code (competitive price request code correlating to the approved discount from a discount agreement with Honeywell). Any Orders with price discrepancies that do not contain a promotion or price deviation code will receive a price discrepancy notice from Honeywell customer service for resolution. Buyer has 48 hours to provide an updated Order or accept Honeywell's pricing (in writing); otherwise, the Order may be cancelled. Please refer to the Honeywell price list (or consult your Honeywell representative for your specific codes).

Depending on Buyer's local region and the Offerings being purchased, Honeywell may impose a minimum order value, minimum order quantities and processing fees for custom orders or orders below the imposed minimum thresholds. Honeywell may also charge processing fees for Orders placed manually and not through its ecommerce website. Subject to periodic revision, the minimum order value is US\$1000 (or a similar equivalent in other applicable local currency), excluding shipping and handling costs, below which a US\$100 fee will be applied to an Order, and the manual processing fee is US\$100 per Order.

Honeywell may, from time to time and in its sole discretion, issue surcharges on new and existing Orders in order to mitigate and/or recover increased operating costs arising from or related to, without limitation: (a) foreign currency exchange variation; (b) increased cost of third-party content, labor and materials; (c) impact of duties, tariffs, and other government actions; and (d) any other circumstances that increase Honeywell's costs, including, without limitation, increases in freight, labor, material or component costs, and increased costs due to inflation (collectively, "**Economic Surcharges**"). Honeywell will invoice Buyer, through a revised or separate invoice, and Buyer agrees to pay for the Economic Surcharges pursuant to the standard payment terms in this Agreement. If a dispute arises with respect to Economic Surcharges, and that dispute remains open for more than fifteen (15) days, Honeywell may, in its sole discretion, withhold performance and future shipments or combine any other rights and remedies as may be provided under this Agreement or permitted by law until the dispute is resolved. The terms of this section shall prevail in the event of inconsistency with any other terms in this Agreement. Any Economic Surcharges, as well as the timing, effectiveness, and method of determination thereof, will be separate from and in addition to any changes to pricing that are affected by any other provisions in this Agreement.

8. Payments. Unless Buyer has been approved for credit terms by Honeywell, payment for all Orders will be made at the time of order placement. In the event Buyer has been approved for credit terms, payment for that Order will be due no later than 30 calendar days from the date of the invoice, unless a shorter time period is specified on the invoice or otherwise communicated to Buyer in writing. Honeywell will determine in its sole discretion if Buyer qualifies for credit terms. If credit terms are granted, Honeywell may change Buyer's credit terms at any time in its sole discretion and may, without notice to Buyer, modify or withdraw credit terms for any order, including open Orders. Honeywell may, at its sole discretion require additional security (e.g., bank guarantee, standby letter of credit, corporate guarantee, etc.) for a Buyer with no established credit terms and will be determined by Honeywell on a case-by-case basis.

Partial shipments will be invoiced as they are shipped. Honeywell

is not required to provide a hard copy of the invoice and may submit invoices electronically. Payments must be made in USD currency unless agreed otherwise in writing and must include remittance detail containing at a minimum the Buyer's order number, Honeywell's invoice number and amount paid per invoice. Buyer agrees to pay a service fee in the amount of US\$500 for each occurrence for its failure to include the remittance detail and minimum information described above.

Payments must be in accordance with the "Remit To" field on each invoice. If Buyer makes any unapplied payment and fails to reply to Honeywell's request for instruction on allocation within seven (7) calendar days, Honeywell may set off such unapplied cash amount against any Buyer past-due invoice(s) at its sole discretion. An unapplied payment shall mean payment(s) received from Buyer without adequate remittance detail to determine what invoice the payment(s) shall be applied to.

Disputes as to invoices must be accompanied by detailed supporting information and are deemed waived fifteen (15) calendar days following the invoice date. Honeywell reserves the right to correct any inaccurate invoices. Any corrected invoice or invalid dispute must be paid by the original invoice payment due date or the issuance date of the corrected invoice, whichever is later. Buyer must pay the undisputed amount of the invoice within the original invoice payment due date.

For either material breach and/or late payment Honeywell may, without prejudice to any other legal or equitable remedies, individually or in combination: (i) suspend or terminate performance of this Agreement or any part of it and be relieved of its obligations; (ii) charge late fees up to 1.5% per month or maximum permitted by law and collection costs including reasonable attorneys' fees; (iii) cancel any pricing discounts; (iv) repossess technical information or items delivered for which payment has not been made; (v) be relieved of its obligations with respect to guarantees, liquidated damages and service level commitments; (vi) refuse to process credits; (vii) charge storage fees; and (viii) accelerate future payments.

9. Setoff. Neither Buyer nor its affiliated entities (nor any representative or agent thereof) shall attempt to set off or recoup any invoiced amounts or any portion thereof against other amounts that are due or may become due from Honeywell or its Affiliates

10. Security Interest. Buyer hereby grants to Honeywell a security interest in all Offerings shipped to Buyer, and in all accessions to, replacements of and proceeds from sale or lease of such Products, as security for the performance by Buyer of all of Buyer's obligations arising under this Agreement. At any time upon the request of Honeywell, Buyer shall promptly and duly execute and deliver any such further instruments and documents

and take such further action as Honeywell may reasonably deem desirable for Honeywell to obtain the full benefits of this Agreement. Buyer hereby irrevocably appoints Honeywell as its attorney-in-fact (which appointment is coupled with an interest) for the purpose of executing any documents necessary to perfect or to continue the security interest granted above. Buyer authorizes Honeywell to file a carbon, photographic or other reproduction of this Agreement as a financing statement.

11. Product Warranty. Honeywell warrants that the Products will be free from defects in workmanship and materials for the relevant period of time published by Honeywell on the relevant Product website or in a separate Agreement between Honeywell and Buyer or, if no published or agreed period is identified, then at the time of delivery (the “**Warranty Period**”). This limited warranty does not cover defects caused by normal wear and tear or maintenance. Honeywell’s sole liability and Buyer’s exclusive remedy, which shall be determined in Honeywell’s sole discretion, is limited to replacement or repair of the relevant Product(s) or a credit for the purchase price of the relevant Product, less depreciation. The Warranty Period does not restart for replacement Products, and any replacement Products will only be warranted for the remainder of the original Warranty Period, if any.

If, during the applicable Warranty Period, Buyer believes there is a defect in material or workmanship covered by the relevant Product warranty, Buyer must immediately discontinue use and notify Honeywell. Written authorization from Honeywell must be obtained prior to returning any Product(s) to Honeywell for warranty assessment. Return shipments must be made within thirty (30) days after Buyer identifies or should have identified the defect (and insurance must be prepaid by Buyer and all such shipments must be appropriately packed). Upon receipt of any such Product during the applicable Warranty Period, Honeywell shall, at its expense, (i) examine the Product to verify the alleged defect or (ii) in Honeywell’s sole discretion, credit Buyer or repair or replace any defective Product, including shipment of such replacement or repaired Product back to Buyer (at Honeywell’s expense). Honeywell will credit Buyer for its return shipping costs for any defective Products, but Buyer will be responsible for paying any customs or import duties payable upon receipt of any repaired or replacement Products and also paying Honeywell a standard testing charge for any Products not found to be defective.

Honeywell will not be liable under this warranty if the Product has been exposed or subjected to any: **(1)** maintenance, repair, installation, handling, packaging, transportation, storage, operation, or use that is improper or otherwise not in compliance with Honeywell’s instruction; **(2)** alteration, modification, or repair by anyone other than Honeywell or those specifically authorized by Honeywell; **(3)** accident, contamination, foreign object damage, abuse, neglect, or negligence after shipment to Buyer; **(4)**

damage caused by failure of a Honeywell supplied Product not under warranty or by any hardware or software not supplied by Honeywell; **(5)** use of counterfeit or replacement parts that are neither manufactured nor approved by Honeywell for use in Honeywell’s manufactured Products.; or **(6)** any static damage.

Any recommendation or assistance provided by Honeywell concerning the use, design, application, or operation of an Offering shall not be construed as representations or warranties of any kind, express or implied, and such information is accepted by Buyer at Buyer’s own risk and without any obligation or liability to Honeywell. It is the Buyer’s sole responsibility to determine the suitability of an Offering for use in Buyer’s application(s). The failure by Honeywell to make recommendations or provide assistance shall not give rise to any liability for Honeywell.

12. Excusable Delay or Nonperformance. Except for payment obligations, neither Party will be liable to the other for any failure to meet its obligations due to any force majeure event. Notwithstanding the prior sentence, quantities affected by this Force Majeure clause may, at the option of Honeywell, be eliminated from this Agreement without liability, but this Agreement will otherwise remain unaffected. Force majeure is an event beyond the reasonable control of the non-performing party and includes, without limitation: (1) delays or refusals to grant an export license or the suspension or revocation thereof; (2) any other acts of any government that would limit a party’s ability to perform under this Agreement; (3) fires, earthquakes, floods, tropical storms, hurricanes, tornadoes, severe weather conditions, or any other acts of God; (4) pandemics, epidemics, quarantines, or regional medical crises; (5) the presence of hazardous substances or mold; (6) shortages or inability to obtain materials, equipment, energy, or components; (7) labor strikes or lockouts; (8) riots, strife, insurrection, civil disobedience, landowner disturbances, armed conflict, terrorism, or war, declared or not (or impending threat of any of the foregoing, if such threat might reasonably be expected to cause injury to people or property); (9) inability or refusal by Buyer’s directed third-party suppliers to provide Honeywell parts, services, manuals, or other information necessary to the Offerings to be provided by Honeywell under this Agreement; or (10) any other cause beyond the non-performing party’s reasonable control.

If a force majeure event causes a delay, then the date of performance will be extended by the period of time that the non-performing party is actually delayed, or for any other period as the Parties may agree in writing. When performance is excused, Honeywell may allocate its Offerings in any manner that is fair and reasonable. However, Honeywell will not be obligated to obtain Offerings from other sources or to allocate materials obtained by Honeywell from third parties for Honeywell’s internal use. Should

any part of the system or any equipment in each case that are related to an Offering be damaged by fire, water, lightning, acts of God, the presence of hazardous substances or mold, third parties, or any other cause beyond the control of Honeywell, any repairs or replacement shall be paid for by Buyer.

For the avoidance of doubt, there need not be a force majeure event to invoke Economic Surcharges. In the event that a force majeure event is ongoing for a period of time which is ninety (90) days or longer, Honeywell may provide notice to Buyer that it is cancelling any affected outstanding Buyer Orders or affected portion thereof.

Notwithstanding any other provision of this Agreement, in light of the COVID-19 pandemic, the effects of which cannot be foreseen, the Parties agree that Honeywell shall be entitled to an equitable extension of time to deliver or perform its Work and appropriate additional compensation to the extent Honeywell's delivery or performance, or the delivery or performance of its suppliers and/or subcontractors, is in any way delayed, hindered or otherwise affected by the COVID-19 pandemic.

13. Manufacturing hardship. If for any reason Honeywell's production or purchase costs for the Offerings (including without limitation costs of energy, equipment, labor, regulation, transportation, raw material, feedstocks) increases by more than five percent (5%) over Honeywell's production or purchase costs for the Offerings on the date of entering into this Agreement, then Honeywell may, by notice to Buyer of such increased costs, request a renegotiation of the price of the Offerings under this Agreement. If the Parties are not able to agree on a revised Offering price within ten (10) days after a request for renegotiation is given, then Honeywell may terminate this Agreement on ten (10) days' notice to Buyer.

14. Termination. Honeywell may terminate this Agreement and any or all unperformed Orders immediately upon notice to Buyer upon the occurrence of any of the following events: (a) Buyer fails to perform or breaches any of its obligations and covenants under this Agreement, and such default continues for more than sixty (60) days after written notice specifying the failure to perform or breach (unless such breach is incapable of cure, as determined in Honeywell's sole discretion, in which case termination is effective immediately); (b) Buyer fails to make any payment hereunder due within five (5) calendar days after written notice of such non-payment; (c) attempted assignment of this Agreement by Buyer or any rights hereunder without Honeywell's prior written consent, which includes a sale or transfer of substantially all of Buyer's assets, a majority interest in its voting stock, or a merger or consolidation with one or more entities; (d) Buyer experiences one or more of the of the following insolvency-related circumstances:

(i) it ceases to function as a going concern or to conduct its operations in the normal course of business (including an inability to meet obligations as they mature), (ii) a receiver is appointed for its assets, (iii) bankruptcy or insolvency proceedings are brought by or against it, or (iv) it makes an assignment for the benefit of creditors; (e) Buyer violates the law or any of its owners, officers, principals, members or partners is indicted or convicted on charges of felony, conversion, embezzlement or any morally reprehensible act which could, in Honeywell's sole discretion, adversely impact Honeywell; or (f) Buyer engages in any conduct or practice which, in Honeywell's sole discretion, is or could be detrimental or harmful to the good name, goodwill and reputation of Honeywell or Offerings. Termination does not affect any debt, claim, or cause of action accruing to any party against the other before the termination. The rights of termination provided in this clause are not exclusive of other remedies that a Party may be entitled to under this Agreement or in law or equity, including, without limitation, payment for services performed and for losses sustained for materials, tools, construction equipment and machinery, reasonable overhead, profit, and applicable damages. Honeywell may suspend performance under this Agreement at Buyer's expense if Honeywell determines that performance may violate the law and/or cause a safety, security, or health risk.

15. Applicable Law. All questions or disputes arising out of or relating to this Agreement and its interpretation or enforcement (including its, breach, validity and termination), and the Parties' relationship, rights and liabilities relating hereto, whether arising in contract or otherwise ("**Dispute**"), shall be governed by the laws of the country where Honeywell (which is the selling party in the relevant order) is registered without giving effect to any choice or conflict of law provision or rule. Honeywell and Buyer expressly agree to exclude from this Agreement the Uniform Computer Information Transactions Act and United Nations Convention on Contracts for the International Sale of Goods, 1980, and any successor thereto.

Any dispute arising out of or in connection with this Agreement, including any question regarding its existence, validity or termination, shall be referred to and finally resolved in accordance with the Exhibit A hereto. Buyer will not bring a legal or equitable action more than one (1) year or other limitations of action under the applicable law after the cause of action arose unless a shorter period is provided by applicable law.

Before the Parties initiate any dispute resolution process other than injunctive relief, the Parties must schedule a mandatory executive resolution conference to be held within thirty (30) days of receipt of the other Party's written request. The conference must be attended by at least one executive from each Party. At the conference, each Party will present its view of the Dispute in detail and the executives will enter into good faith negotiations in an

Honeywell

attempt to resolve the Dispute. If the dispute is not resolved within fifteen (15) days of the end of the conference, then either Party may pursue resolution of the Dispute consistent with the other terms of this Agreement.

16. Limitation of Liability. IN NO EVENT SHALL HONEYWELL BE LIABLE UNDER THIS AGREEMENT, HOWEVER CAUSED AND REGARDLESS OF WHETHER LIABILITY ARISES FROM HONEYWELL'S INDEMNIFICATION OBLIGATIONS HEREUNDER OR A BREACH OF CONTRACT, WARRANTY, TORT (INCLUDING NEGLIGENCE), OPERATION OF LAW, OR OTHERWISE, AND EVEN IF EITHER PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF THE LIABILITY OR THE LIABILITY IS OTHERWISE FORESEEABLE, FOR ANY LOST PROFITS OR REVENUE, LOSS OR CORRUPTION OF DATA OR LOSS OF USE OF PROPERTY, SPECIAL, INCIDENTAL, INDIRECT, CONSEQUENTIAL, EXEMPLARY, OR PUNITIVE DAMAGES OF ANY KIND (INCLUDING ALL DAMAGES DUE TO BUSINESS INTERRUPTION, LOSS OR CORRUPTION OF DATA, OR LOST USE OF ANY PROPERTY OR CAPITAL) EVEN IF HONEYWELL HAS BEEN ADVISED OF OR IS OTHERWISE AWARE OF THE POSSIBILITY OF SUCH DAMAGES AND/OR CLAIMS.

ALL OFFERING CLAIMS ARE LIMITED TO THOSE EXCLUSIVE REMEDIES SET FORTH IN SECTION 11 (PRODUCT WARRANTY) OF THIS AGREEMENT. HONEYWELL SHALL HAVE NO LIABILITY FOR ANY DAMAGES OR INJURIES ARISING FROM SERVICES PROVIDED BY BUYER TO ITS CUSTOMERS, INCLUDING SERVICES PERFORMED BY BUYER ON HONEYWELL PRODUCTS OR OTHER OFFERINGS SOLD HEREUNDER, NOR SHALL HONEYWELL BE LIABLE FOR ANY CLAIMS OF THIRD PARTIES RELATING TO ANY OFFERINGS, SAVE THE INDEMNIFICATION OBLIGATIONS SET FORTH IN THIS AGREEMENT.

HONEYWELL'S AGGREGATE LIABILITY IN CONNECTION WITH THIS AGREEMENT, THE PARTIES' RELATIONSHIP, THE SALE OF OFFERINGS, AND ANY PROVISION OF SERVICES TO BUYER, SHALL NOT EXCEED THE AGGREGATE PURCHASE PRICE PAID BY BUYER TO HONEYWELL FOR THE OFFERINGS GIVING RISE TO THE CLAIM. ALL CLAIMS THAT A PARTY MAY HAVE WILL BE AGGREGATED, AND MULTIPLE CLAIMS WILL NOT ENLARGE THE FOREGOING LIMIT.

BUYER WILL NOT BRING A LEGAL OR EQUITABLE ACTION AGAINST HONEYWELL MORE THAN ONE (1) YEAR AFTER THE FIRST EVENT GIVING RISE TO A CAUSE OF ACTION, UNLESS A SHORTER LIMITATIONS PERIOD IS PROVIDED BY APPLICABLE LAW.

FIRST EVENT GIVING RISE TO A CAUSE OF ACTION, UNLESS A SHORTER LIMITATIONS PERIOD IS PROVIDED BY APPLICABLE LAW.

EXCEPT AS EXPRESSLY STATED IN THIS AGREEMENT, THE OFFERINGS ARE PROVIDED ON A "AS IS" AND "AS AVAILABLE" BASIS. HONEYWELL IS NOT RESPONSIBLE OR LIABLE FOR

BUYER'S (OR BUYER'S USERS') USE OF THE OFFERINGS, OR USE OR INTERPRETATION OFF THEIR OUTPUT. TO THE MAXIMUM EXTENT PERMITTED BY LAW, HONEYWELL EXPRESSLY DISCLAIMS ALL CONDITIONS, WARRANTIES AND REPRESENTATIONS OF ANY KIND, WHETHER EXPRESS, IMPLIED OR STATUTORY REGARDING THE OFFERINGS, INCLUDING WARRANTIES OF NON-INFRINGEMENT, MERCHANTABILITY, SATISFACTORY QUALITY AND FITNESS FOR PURPOSE. NOTWITHSTANDING THE FOREGOING, HONEYWELL MAKES NO WARRANTY THAT THE OFFERINGS WILL MEET BUYER'S REQUIREMENTS, OPERATE WITHOUT INTERRUPTION OR BE ERROR FREE. BUYER ACKNOWLEDGES THAT OFFERINGS ARE NOT INTENDED OR SUITABLE FOR USE IN SITUATIONS OR ENVIRONMENTS WHERE THE FAILURE OR TIME DELAYS OF, OR ERRORS OR INACCURACIES IN SUCH RESULTS, DATA OR INFORMATION COULD LEAD TO INJURY, ILLNESS, DEATH, PERSONAL INJURY, BUSINESS INTERRUPTION OR SEVERE PHYSICAL OR ENVIRONMENTAL DAMAGE.

The disclaimers, exclusions and limitations set forth herein shall apply even if the express warranties set forth in this Agreement fail of their essential purpose. The parties agree that Honeywell's prices for the Offerings provided hereunder are provided in reliance on the disclaimers, exclusions, and limitations set forth herein, and that such disclaimers, exclusions, and limitations are an agreed allocation of risk that are foundational to the bargain between the Parties.

17. Confidentiality. Honeywell may provide Buyer certain information during the performance or fulfillment of this Agreement that is not generally known, including financial information, trade secrets, know how, product data, samples, techniques, specifications, drawings, designs, design concepts, processes and testing methodologies ("**Confidential Information**"). All Confidential Information provided in connection with this Agreement shall remain the property of Honeywell, shall be used only for the purpose of furthering the matters contemplated by this Agreement and shall be protected as confidential by Buyer using the same degree of care as it uses to protect its own confidential information of a similar type, but no less than a reasonable degree of care, for a period of three (3) years following the date of disclosure. These obligations shall not apply to business contact information or other information which is: (a) publicly known at the time of disclosure or becomes publicly known through no fault of Buyer, (b) already known to Buyer at the time of disclosure through no wrongful act of Buyer, (c) received from a third party without restrictions similar to those in this Section, or (d) independently developed by Buyer. Buyer may not disclose Confidential Information without the prior written consent of Honeywell, provided, however, that Buyer may disclose Confidential

Honeywell

Information (i) to its Affiliates, employees, officers, consultants, agents, and contractors for the purposes of discharging this Agreement and complying with its legal obligations, and (ii) in response to a court order, government request, or other legally required request where it (A) provides Honeywell with sufficient notice and an opportunity to object to such disclosure (where possible) and (B) makes the disclosure subject to a protective order or other similar confidentiality restrictions. After termination or expiration of this Agreement and upon written request of Honeywell, Buyer will return or destroy all Confidential Information and all copies thereof, except for any Confidential Information that exists only as part of regularly generated electronic backup data or archive data, where the destruction is not reasonably practicable.

18. **Intellectual Property Indemnification.** Honeywell will defend Buyer, its Affiliates and subcontractors against any third-party suit alleging that Buyer's use of the Offering (as provided by Honeywell) in accordance with this Agreement, directly infringes any United States third-party patent or copyright, and will pay for any final judgment awarded by a court of competent jurisdiction assessed against Buyer resulting from such suit; provided that Buyer promptly notifies Honeywell when it is apprised of the claim and provides complete authority, information, and assistance (at Honeywell's expense) as to the defense and disposition via counsel of Honeywell's choice. Honeywell will not be responsible for any compromise, settlement, attorneys' fees, expenses, damages, or costs incurred by Buyer without Honeywell's involvement and prior, written consent. Honeywell has no obligation or liability for claims arising out of the following: (a) Offerings made to Buyer's designs, drawings, or specifications; (b) use of Offerings in any process or in any manner not supported by the applicable Documentation; (c) combination or use of any Offering with materials not furnished by Honeywell; (d) use of a version of any Software other than the current version; (e) data Buyer provides; (f) Buyer's use of the outputs of the Offering; (g) any alteration, customization, or other modification of the Offering other than by Honeywell; or (h) damages based on a theory of liability other than infringement by the Offering. Further, Buyer agrees to defend, indemnify and hold the Honeywell Indemnitees harmless against any claim of infringement resulting from those circumstances set forth in subparagraphs (a)-(h) of this Section, as per the Indemnification Procedures of Section 19 (Other Indemnification). If a claim of infringement is made for which Honeywell has indemnification obligations or if Honeywell believes that such a claim is likely, Honeywell may, at its sole option and expense, (i) procure for Buyer the right to continue using the Offering or obtain a license to a reasonable substitute; (ii) replace or modify the Offering so that it is non-infringing; or (iii) in the case of Products and Software, require

Buyer to return the Product (and terminate Buyer's license to the Software) in exchange for a credit of the purchase price or license fee, less reasonable depreciation and pro-ration of license fees for Software use. Further, Honeywell may cease shipping or providing Offerings it believes may be subject to a claim of infringement without being in breach of this Agreement. If the final judgment assessed against Buyer is based on the revenue generated from the use of the Offering, as opposed to from the sale of the Offering by Honeywell to Buyer (whether alone or in combination with any article or service not furnished by Honeywell), then Honeywell's liability under this indemnity, exclusive of defense costs, shall be limited to a reasonable royalty based on the contract price paid by Buyer to Honeywell for the Offering that gave rise to the claim. This Section shall be subject to Honeywell's rights under Section 16 (Limitation of Liability). THIS PROVISION STATES THE PARTIES' ENTIRE LIABILITY, SOLE RECOURSE, AND THEIR EXCLUSIVE REMEDIES WITH RESPECT TO CLAIMS OF IP INFRINGEMENT. ALL OTHER WARRANTIES AGAINST INFRINGEMENT OF ANY INTELLECTUAL PROPERTY RIGHTS, STATUTORY, EXPRESS, IMPLIED, OR OTHER, ARE HEREBY DISCLAIMED.
