

**1. Applicability.** Purchase orders placed by **Company** (“**Order**”) for the purchase of: (a) products, including without limitation, end items, line replaceable units and components thereof and those returned for repair, overhaul, or exchange (collectively referred to as “**Products**”) or, (b) services to support a defined customer requirement and as defined in Section 4 (“**Services**”) will be governed solely by these conditions of sale (“**Agreement**”), unless and to the extent that a separate contract is executed in writing between Company and Honeywell Sensing & Safety Technologies (“**Honeywell**”). “Offering(s)” are the software, software-as-a-service, hardware, Products, Services, deliverables, support services and/or other offering(s) or related materials or rights for which Buyer has contracted and are identified in any Order issued under this Agreement. “Order” is a written order from Company and accepted by Honeywell for the purchase, use and/or licensing of Offerings, as contemplated by this Agreement. For the avoidance of doubt, references to any Order shall not include any Terms and Conditions from Company contained therein, it being the agreement of the Parties that the General Terms and Conditions in this Agreement shall be binding. “Company” or “Buyer” is defined as the procuring party, Honeywell is defined as the selling party, and Company and Honeywell are collectively referred to as the “Parties” and individually as a “Party.” “Documentation” means any documentation (including any technical or legal requirements) specifically provided with an Offering (or otherwise specifically referenced in this Agreement or any Order), but excluding marketing materials, customer correspondence and similar collateral. “Affiliate” means any entity that controls, is controlled by, or is under common control with, another entity. An entity “controls” another if it possesses directly or indirectly the power to direct the management and policies of the entity. “Fees” means the amounts payable by Company to Honeywell under the terms of this Agreement or any applicable Order. This Agreement will apply to all Orders for Offerings whether or not this Agreement is referenced in the Order. In the event a separate contract incorporating this Agreement is executed between the Parties, where applicable, references to “Order” within this Agreement may refer to the contract between the Parties. Certain special terms to this Agreement are set forth in Attachment A hereto. Unless otherwise noted in Attachment A, each shall be read together with the corresponding section of this Agreement. Any conflict in the provisions of the Agreement shall be resolved by giving precedence in the following order: (i) the separate written agreement between Honeywell and Company (if any); (ii) Attachment A; and (iii) the Agreement.

**2. Orders.** Orders are subject to acceptance by Honeywell and are

non-cancelable by Company, including any revised and follow-on Orders, and will be governed by the terms of this Agreement. Honeywell may in its sole discretion accept an Order cancellation request made by Company and the Order cancellation may be subject to payment of cancellation charges or fees as determined by Honeywell. Without prejudice to the generality of the preceding sentence, Honeywell does not accept cancellations for custom or specially manufactured Products, or for non-stocked Products. Orders will specify: (a) any relevant contract or agreement, (b) Order number, (c) Honeywell’s Offering part number or quotation number as applicable, including a general description of the Product; (d) requested delivery dates; (e) applicable price; (f) quantity; (g) location to which the Offering is to be shipped; and (h) location to which invoices will be sent for payment. Orders are subject to acceptance or rejection by Honeywell. Honeywell’s acknowledgment of receipt of an Order will not constitute acceptance of such order. Any conflicting, additional, and/or different terms or conditions on Company’s Order or any other instrument, agreement, or understanding are deemed to be material alterations and are rejected and not binding upon Honeywell. Honeywell’s acceptance of Company’s Order is expressly conditioned upon Company’s assent to the terms and conditions contained herein in their entirety. Company’s acceptance of delivery or performance from Honeywell constitutes Company’s acceptance of these terms and conditions in their entirety. A valid Order number is required before processing; any Order received without one will be returned to the Company. Company may not modify an Order without written consent from Honeywell, subject in full to: (i) Honeywell’s right to accept or reject such request in its sole discretion and (ii) any price or schedule modification that may be required by the change request, as determined by Honeywell in its sole discretion.

**3. Delivery.**

a. **Delivery Liability.** Delivery and shipment dates for Products are estimates only. Deliveries may be made in partial shipments. Honeywell will not be liable to Company or any third party for any damages or penalties whatsoever, whether direct, indirect, special or consequential (including, without limitation, liquidated damages in Company’s contracts with its customers), resulting from Honeywell’s failure to perform or its delay in performing, unless otherwise agreed in a signed writing by an authorized representative. Notwithstanding the foregoing, if Honeywell delivers a quantity of Product in excess of the quantity ordered by Company, or a type of product different than that ordered by Company, Company may return such excess or different Product to Honeywell within 60 days after invoice at Honeywell’s cost for a full refund. Additionally, Honeywell shall bear the cost of

redirecting shipments made to a location other than that set forth in the Order if caused solely by its error. Company is liable for any delays or increased costs incurred by Honeywell caused by Company's acts or omissions including, without limitation, all costs Honeywell incurs for redirecting shipments due to any incorrect information or address you or your representatives provide.

b. **Delivery Charges.** Delivery terms for Products (excluding software and services) are (i) FCA (FCA Incoterms 2020) Honeywell's point of shipment ("Honeywell Dock") for all international shipments and (ii) Ex-Works Honeywell Dock for all domestic shipments.

c. **Early Delivery & Future Delivery.** Honeywell will schedule delivery in accordance with its standard lead times unless the Order states a later delivery date or the parties otherwise agree in writing. Orders will be accepted with a future ship date of up to twelve (12) months from the date of order entry, unless otherwise agreed to by the parties. Honeywell reserves the right to ship orders earlier than scheduled delivery dates. Early shipments will be processed using the same method and carrier identified in the order. Without imposing any liability on Honeywell in respect of any delays of for non-performance, if Company requests a delivery date for an Order within standard lead times that Honeywell accepts, Honeywell shall be entitled to assess an expedited freight fee on such Order. If Company does not accept delivery of shipment at any time, Honeywell reserves the right to store the product pending delivery, and Company shall be responsible for all costs associated with storage, insurance, re-delivery and associated logistics.

#### 4. **Services**

"**Services**" are the services and/or maintenance and support obligations to be provided by Honeywell, as specified in this Agreement, the associated Order(s) and/or statement(s) of work, as it may be amended or modified in accordance with the terms of this Agreement ("SOW"), and may include the supply of Products and Software. To the extent accepted by Honeywell, each SOW and/or Order will include details as to the scope of Services, deliverables or reports ("Deliverables"), as well as the specifications, schedule, requirements and Fees, and these will form part of this Agreement. Services shall include providing skilled labor, materials, tools and parts related to gas detection equipment, per the terms of the Service Program selected. Engineering services, technological improvements and upgrades are not part of this Agreement. Company shall bear the costs of services (e.g., electrician) and materials (e.g., conduit) that are the result of inappropriate use, modifications, alterations, acts of vandalism, damages caused by fire, water, accidents, obsolete systems catastrophes or other acts of God. Company agrees to give Honeywell safe and reasonable access to the work site. Company will maintain a safe workplace for performance of the Services onsite by Honeywell and will ensure

that it has health and safety protocols in place addressing any applicable federal, state, and local laws regarding workplace safety. Company will ensure that its workplace is free of any recognized hazards that are likely to cause death or serious physical harm. Company shall provide scaffoldings and if required, ladders or lifting equipment, personal protection equipment and any other equipment permitting access to the site as required by health and safety laws and shall bear the cost. If equipment is not available to Company, then Honeywell must be notified and arrangements made, with Company to bear the cost. All service calls not within Honeywell's responsibility in accordance with this Agreement or those for which Honeywell is unable to perform the service because access to equipment as referred to in this Agreement is not possible, shall be billed to Company, over and above the costs pertaining to this Agreement.

Company agrees to provide Honeywell access to all equipment covered by the Services to be performed by Honeywell under this Agreement, which is limited to the equipment expressly listed in each List of Covered Equipment contained in the associated SOW ("Covered Equipment"). It is understood that Honeywell's repair, replacement, and emergency service obligations apply only to the Covered Equipment (if any and only to the extent expressly provided in the attached SOW). Costs to repair or replace any non-Covered Equipment will be the sole responsibility of Company. Honeywell will not reload software, nor make repairs or replacements necessitated by reason of negligence or misuse of equipment by persons other than Honeywell or its employees, or caused by lightning, electrical storm, or other violent weather or by any other cause beyond Honeywell's control, and Honeywell may provide such services at Company's request and at an additional charge. Honeywell may install communication or diagnostic devices and/or software to enhance system operation and support. Upon termination of this Agreement, Honeywell may remove these devices and software and return the system to its original operation. Company agrees to provide, at its sole expense, connection to the Internet and switched telephone network for such devices and/or software. This Agreement assumes that the systems and/or equipment included in the Covered Equipment are in maintainable condition. If repairs are necessary, in Honeywell's sole judgment, upon inspection or seasonal start-up or otherwise, repair charges will be submitted for approval to Company. Should these charges be declined, those systems and equipment will be eliminated from coverage under this Agreement and the price adjusted accordingly. In the event that the system or any equipment component thereof is altered, modified, changed or moved, this Agreement may be immediately adjusted or terminated, at Honeywell's sole option. Honeywell is not responsible for any damages resulting from

such alterations, modifications, changes, or movement. Maintenance, repairs, and replacement of equipment parts and components are limited to using commercially reasonable efforts to restore to proper working condition. Honeywell is not obligated to provide replacement software, equipment, components, and/or parts that represent a betterment or capital improvement to Company's system(s) hereunder. Unless otherwise specified, Company retains all responsibility for maintaining local area networks, wide area networks, leased lines, and/or other communication mediums incidental or essential to the operation of the system(s) or equipment found included in the Covered Equipment. Company will promptly notify Honeywell of any malfunction in the system(s) or Covered Equipment covered under this Agreement that comes to Company's attention.

Company will: (a) promptly perform its obligations identified in the applicable SOW or Order; (b) promptly provide all information reasonably required or useful for performance of the Service prior to commencement of the Services; (c) designate a business contact and a technical contact to coordinate Buyer's personnel and act as a liaison; and (d) provide Honeywell with access to Company's systems and premises to the extent necessary during the performance of the Services (including site audits, site assessments and preparatory activities). If Company fails to perform any of Company's obligations, Honeywell will: (i) be excused from failure to perform any of Honeywell's affected obligations under this Agreement; (ii) be entitled to a reasonable extension of time, and a reasonable reimbursement of additional costs or fees incurred as a result; and (iii) not be responsible for any liability arising from such failure.

Travel and living expenses incurred by Honeywell personnel will be invoiced on a reimbursable basis, at actual cost plus a 10% processing fee and will be accompanied by reasonable and usual verification of costs incurred. Travel time for the assigned personnel will be based on the number of hours incurred traveling from each person's Honeywell office to the Company site/office (and return) and will be billed at the then-current labor rate.

Company will not, for the duration of this Agreement and one year thereafter, directly or indirectly solicit for employment any person employed by Honeywell or its Affiliates who is providing or has provided services to Company or its Affiliates under this Agreement; provided that the foregoing shall not prevent Company from soliciting or employing (x) any person who is no longer employed by Honeywell or its Affiliates and who terminates such employment without inducement to do so by Company or its Affiliates and (y) any person who responds to a

general solicitation for employment placed by Company in a broadly-disseminated publication.

- 5. Company Delay.** Honeywell is not liable for any delays or increased costs caused by delays in obtaining parts, materials, equipment, services or software from a Company-designated supplier, for Company's failure to timely provide information required for the Offerings, or any other delay caused by, or within the control of, Company. If Company-caused delays occur, then the price, delivery dates, and other affected terms will be adjusted to reflect increased cost, delay, and other adverse impact suffered by Honeywell. For illustrative purposes only, and without limitation, events impacting price may include: (i) the cost of steel, copper, or aluminum, (ii) the cost of any buy-out items including additional cost based on a fluctuation in currency exchange rate, (iii) the cost of mechanical installation or electrical installation labor required for on-site work and/or installation, and (iv) the cost of pre-building and storing equipment at Honeywell's sole discretion. In the event that a delay caused by the Company is ongoing for a period of time which is ninety (90) days or longer, Honeywell may provide notice to Company that it is cancelling any affected outstanding Orders or affected portion thereof.
- 6. Acceptance. (a) Products:** Products are presumed accepted upon delivery unless Honeywell receives written notice of rejection from Company explaining the basis for rejection within thirty (30) calendar days after delivery. Rejection shall be based solely upon the failure of the Products to comply with Honeywell's published specifications or such specifications which are mutually agreed in writing by the parties. Company must disposition rejected Product in accordance with Honeywell's written instructions. No Product shall be returned without Honeywell's written consent, including but not limited to returns and rejections. Authorization for Product returns must be obtained from Honeywell in writing and shall follow Honeywell return processes, policies and fees for the applicable Product line. Honeywell will have a reasonable opportunity to repair or replace rejected Products, at its option, which shall be Company's sole and exclusive remedy for rejected Products by Company. Subject to the terms of the article titled "Taxes", Honeywell assumes shipping costs in an amount not to exceed actual reasonable direct freight charges to Honeywell's designated site for the return of properly rejected Products. Company will provide copies of freight invoices to Honeywell upon request. Following initial delivery, the Party initiating shipment will bear the risk of loss or damage to Products in transit. If Honeywell reasonably determines that rejection was improper, Company will be responsible for all expenses caused by the improper rejection. **(b) Services:** Company will inspect Services within ten (10) calendar days after delivery or completion of Services, as applicable. Services will be deemed

accepted unless Honeywell receives written notice of rejection explaining the basis for rejection within such time. Honeywell will be afforded a reasonable opportunity to correct or re-perform rejected Services, which shall be Company's sole and exclusive remedy for unaccepted Services by Company. Company further agrees that partial or beneficial use of the work by Company prior to final inspection and acceptance will constitute acceptance of the work under this Agreement. If Honeywell reasonably determines that rejection was improper, Company will be responsible for all expenses caused by the improper rejection.

## 7. Changes.

a. A Change Order is a written order signed by Company and Honeywell authorizing a change in the Services or adjustment in the Price or a change to the schedule.

b. Company may request Honeywell to submit proposals for changes in the Services, subject to acceptance by Honeywell. If Company chooses to proceed, such changes in the Services will be authorized by a Change Order. Unless otherwise specifically agreed to in writing by both Parties, if Honeywell submits a proposal pursuant to such request but Company chooses not to proceed, Company shall issue a Change Order to reimburse Honeywell for any and all costs incurred in preparing the proposal.

c. Honeywell may make a written request to Company to modify this Agreement based on the Company's action or inaction, or the receipt or discovery of information, not expressly contemplated by this Agreement that Honeywell believes will cause a change to the Services, Price, schedule, level of performance, or other facet of the Agreement. Honeywell will submit its request to Company within a reasonable time after receipt of, or the discovery of, information that Honeywell believes will cause a change to the Services, Price, schedule, level of performance, or other facet of the Agreement. This request shall be submitted by Honeywell before proceeding to execute the change, except in an emergency endangering life or property, in which case Honeywell shall have the authority to act, in its discretion, to prevent threatened damage, injury or loss (an "Emergency"). Honeywell's request will include information necessary to substantiate the effect of the change and any impacts to the Services, including any change in schedule or Price. Company will have five (5) business days to accept or reject the Change Order. If Company fails to respond within five (5) business days, or in the case of an Emergency, the Change Order will be deemed accepted and Company shall extend the schedule and/or pay for the change in the Services. If, after the Company has rejected the Change Order, Company and Honeywell cannot agree on the amount of the adjustment in the Price or the schedule, it shall be escalated to the VP of operations, general manager of the business, or business leader

with similar responsibilities. If no agreement can be reached, it shall be escalated to the president for which the business resides. Any change in the Price or schedule resulting from such claim shall be authorized by Change Order. If Company rejects the Change Order, Honeywell shall not be obligated to perform the additional or altered Services.

## 8. Prices.

a. Unless otherwise specified in writing by Honeywell, prices for Offerings shall be as set forth in the Honeywell price book in US Dollars at the time an Order is accepted. Prices, terms, conditions, and Offering specifications are subject to change without notice; provided, however, that Honeywell will endeavor to provide at least thirty (30) days' written notice of any changes. Pricing is subject to immediate change upon announcement of Offering discontinuance. Honeywell reserves the right to correct any invoices noting incorrect pricing at any time, including, without limitation, invoices previously paid by Company.

b. Honeywell reserves the right to monitor Company's Orders during the period between notification of and the effective date of any price increase, if any. If the dollar value of Company's Orders during that time period is two percent (2%) higher than monthly forecasted or historic purchases determined by averaging the prior three (3) months, Honeywell reserves the right to charge the increased price on the excess.

c. All Orders with price deviations or promotional pricing require the appropriate promotion or deviation code (competitive price request code correlating to the approved discount from a discount agreement with Honeywell). Any Orders with price discrepancies that do not contain a promotion or price deviation code will receive a price discrepancy notice from Honeywell Customer Service for resolution. Company has 48 hours to provide an updated Order or accept Honeywell's pricing (in writing); otherwise, the Order may be cancelled. Please refer to the Honeywell Price List (or consult your Honeywell representative for your specific codes).

d. Depending on Company's local region and the Offerings being purchased, Honeywell may impose a minimum order value, minimum order quantities and processing fees for custom orders or orders below the imposed minimum thresholds. Honeywell may also charge processing fees for orders placed manually and not through its ecommerce website. Failure by Honeywell to enforce minimum order requirements shall not be construed to be a continuing waiver of such requirements by Honeywell. Minimum order requirements exclude replacement sensors, cartridges, calibration equipment, gas cylinders, warranty sales orders, samples, repairs, training, and service orders for consumable and restricted parts, including labor items and demo units.

e. Honeywell may, from time to time and in our sole discretion, issue surcharges or increase the price to recover our increased costs arising from or related to, without limitation: (a) foreign currency exchange variation; (b) increased cost of third-party content, freight, labor, materials, or component costs; (c) impact of duties, tariffs, and other government actions; and (d) increased costs due to inflation or other hardship (collectively, “Economic Surcharges”). If a dispute arises with respect to Economic Surcharges, and that dispute remains open for more than fifteen (15) days, Honeywell may, withhold performance until the dispute is resolved. This Section prevails in the event of inconsistency with other terms in the Agreement. Any Economic Surcharges are separate from and are in addition to changes to pricing that are affected by other provisions in the Agreement.

### 9. Payments.

Unless Company has been approved for credit terms by Honeywell, payment for all orders will be made at the time of order placement. In the event Company has been approved for credit terms, payment for that order will be due no later than 30 calendar days from the date of the invoice, unless a shorter time period is specified on the invoice or otherwise communicated to Company in writing. Honeywell will determine in its sole discretion if Company qualifies for credit terms. If credit terms are granted, Honeywell may change Company’s credit terms at any time in its sole discretion and may, without notice to Company, modify or withdraw credit terms for any order, including open orders. Honeywell may, at its sole discretion require additional security (e.g., bank guarantee, standby letter of credit, corporate guarantee, etc.) for a Company with no established credit terms and will be determined by Honeywell on a case-by-case basis.

Partial shipments will be invoiced as they are shipped. Honeywell is not required to provide a hard copy of the invoice and may submit invoices electronically. Payments must be made USD currency unless agreed otherwise in writing and must be remittance detail containing at a minimum the Company’s order number, Honeywell’s invoice number and amount paid per invoice. Company agrees to pay a service fee in the amount of \$500 for each occurrence for its failure to include the remittance detail and minimum information described above.

Payments must be in accordance with the “Remit To” field on each invoice. If Company makes any unapplied payment and fails to reply to Honeywell’s request for instruction on allocation within seven (7) calendar days, Honeywell may set off such unapplied cash amount against any Company past-due

invoice(s) at its sole discretion. An unapplied payment shall mean payment(s) received from Company without adequate remittance detail to determine what invoice the payment(s) shall be applied to.

Disputes as to invoices must be accompanied by detailed supporting information and are deemed waived 15 calendar days following the invoice date. Honeywell reserves the right to correct any inaccurate invoices. Any corrected invoice or invalid dispute must be paid by the original invoice payment due date or the issuance date of the corrected invoice, whichever is later. Company must pay the undisputed amount of the invoice within the original invoice payment due date.

Unless agreed otherwise in writing by Honeywell, Honeywell allows the Company to pay by credit card an amount not to exceed USD 99,999 for each payment and accepts Credit Cards issued by Visa, MasterCard and American Express; provided, however, that the Company’s credit card must be charged on the same day that Honeywell invoices the Company. If User is paying by credit card, it acknowledges and agrees that:

- Payment for every Order is due upfront prior to Honeywell activating the Services ordered;
- User may not split Orders on between multiple credit cards;
- User is obligated to provide a valid credit card via the Portal which has sufficient credit to be charged for any Order being placed;
- The credit card provided by User (or, where multiple credit cards have been provided, the credit card selected by User) will be automatically charged upon placement of an Order for Services via the Portal; and
- Unless Honeywell has received a timely notice of termination, User’s credit card (or, where multiple credit cards have been provided, the credit card selected by User as its default card) will also be charged automatically on the anniversary date of when the original Subscription Services were activated. For avoidance of doubt, Honeywell has no obligation to refund any automatic recurring Subscription Services charges to User’s credit card where User failed to provide a timely notice of termination, and User agrees not to contest such charges with its credit card provider.

If Company is delinquent in its payment obligations to Honeywell for any undisputed amount, Honeywell may, at Honeywell’s sole option and until all delinquent amounts and late charges, if any, are paid:

- be relieved of its obligations with respect to guarantees, including without limitation, turnaround times, spares support and lead-times;
- refuse to process any credit to which Company may be entitled;
- set off any credit or sum owed by Honeywell to Company against any undisputed amount owed by Company to Honeywell including but not

limited to amounts owed under any contract or order between the Parties; d. withhold performance, including, without limitation, suspending all work, the prior grant of any license rights and future shipments to Company; e. declare Company's performance in breach and terminate any order; f. repossess products, reports, technical information or any other items delivered pursuant to this Agreement for which payment has not been made; g. deliver future shipments on a cash-with-order or cash-in-advance basis; h. assess late charges on delinquent amounts at a rate of 1.5% per month or the maximum rate permitted by law, if lower, for each month or part thereof; i. charge storage or inventory carrying fees on products, parts, or raw material; j. recover all costs of collection including, without limitation, reasonable attorneys' fees; k. if Company is delinquent on a payment schedule, accelerate all remaining payments and declare the total outstanding balance then due and owing; l. require Company provide Honeywell, a payment improvement plan on terms and conditions satisfactory to Honeywell, as signed and assured by Company's senior finance officer that may include, but not limit to additional security (e.g., bank guarantee, standby letter of credit, corporate guarantee, etc.); or m. combine any of the above rights and remedies as may be permitted by applicable law.

**10. Setoff.** Neither Company nor its affiliated entities (nor any representative or agent thereof) shall attempt to set off or recoup any invoiced amounts or any portion thereof against other amounts that are due or may become due from Honeywell, its parent, affiliates, subsidiaries or other legal entities, business divisions, or units.

**11. Warranty.** (a) **Products.** Except as otherwise provided at <https://sps.honeywell.com/content/dam/honeywell-edam/sps/his/en-us/support/sst/legal-documents/warranty/sps-his-sst-hardware-non-standard-warranty-matrix.pdf> or the applicable Product specifications, if such specifications have a shorter time period than indicated at the link above, Honeywell warrants that at time of shipment to Company its Products will comply with applicable Honeywell drawings and, for a period of twelve (12) months after shipment of the Products, will be free from defects in workmanship and material.

Experimental Products (which may be designated by the letter "X" or "E" beginning their part number identification) are prototype, pre-production items that have yet to complete all phases of release testing; these Products are sold "AS IS" WITH NO WARRANTY, and to the maximum extent permitted by applicable law, Honeywell excludes all conditions, warranties and representations, whether express or implied regarding these Products. Any software and software components provided by

Honeywell, including any documentation designated by Honeywell for use with such software or software components, are provided "AS IS" and with all faults. The entire risk as to satisfactory quality, fitness for purpose, performance, accuracy and effort for such software or software components is with the Company. To the maximum extent permitted by applicable law, Honeywell excludes all conditions, warranties and representations, whether express or implied regarding any of its software or software components or any of its accompanying documentation.

Products that are normally consumed in operation or which have a normal life inherently shorter than the foregoing warranty period including, but not limited to, consumables (e.g., flashtubes, lamps, batteries, storage capacitors) are not covered under this warranty. "Nonconformance" means failure to operate due to defects in workmanship or material. Normal wear and tear and the need for regular overhaul and periodic maintenance do not constitute Nonconformance. Company must notify Honeywell in writing during the warranty period of a Nonconformance and, within thirty (30) calendar days of discovery of the Nonconformance, disposition the Product in accordance with Honeywell's written instructions. Honeywell's obligation and Company's sole remedy under this warranty is repair or replacement, at Honeywell's election, of any Product Nonconformance. All Products repaired or replaced are warranted for the unexpired portion of the original warranty period. Nonconforming Products returned transportation prepaid to Honeywell's designated facility will be repaired or replaced, at Honeywell's option, and return-shipped lowest cost, transportation prepaid. All Products must be cleaned and decontaminated prior to return shipment. Honeywell must receive the returned goods within thirty (30) days of Company's notification, or the claim will be cancelled. No Products will be accepted for return without an authorization number obtained in advance of shipment to Honeywell. Round trip shipping costs expressly exclude freight forwarding, taxes, duties, and tariffs. The Party initiating shipment will bear the risk of loss or damage to Products in transit. If Honeywell reasonably determines that a Nonconformance does not exist, Company will pay all expenses related to the improper return including, but not limited to, analysis and shipping charges. Honeywell does not represent that the Product is compatible with any specific third-party hardware or software other than as expressly specified by Honeywell. Company is responsible for providing and maintaining an operating environment with at least the minimum standards specified by Honeywell. Company understands and warrants that Company has an obligation to implement and maintain reasonable and appropriate security measures relating to the Product, the information used therein, and the network environment. This obligation includes complying with applicable cybersecurity standards and best

practices. If a Cybersecurity Event occurs, Company shall promptly notify Honeywell of the Cybersecurity Event. "Cybersecurity Event" shall mean actions taken through the use of computer networks that result in an actual or potentially adverse effect on an information system and/or the information residing therein. Company shall also promptly use its best efforts to detect, respond, and recover from such a Cybersecurity Event. Company shall take reasonable steps to immediately remedy any Cybersecurity Event and prevent any further Cybersecurity Event at Company's expense in accordance with applicable laws, regulations, and standards. Company further agrees that Company will use its best efforts to preserve forensic data and evidence in its response to a Cybersecurity Event. Company will provide and make available this forensic evidence and data to Honeywell. Honeywell shall not be liable for damages caused a Cybersecurity Event resulting from Company's failure to comply with the Agreement or Company's failure to maintain reasonable and appropriate security measures. Company is responsible for all such damages. COMPANY ACKNOWLEDGES THAT HONEYWELL HAS NO OBLIGATION TO PROVIDE ANY FORM OF CYBERSECURITY OR DATA PROTECTION RELATING TO THE OPERATION OF THE PRODUCT OR THE NETWORK ENVIRONMENT.

COMPANY FURTHER ACKNOWLEDGES THAT HONEYWELL HAS NO OBLIGATION TO GUARANTEE CONTINUED OPERATION AND FUNCTIONALITY OF THE PRODUCT BEYOND THE STATED LIFECYCLE OF THE PRODUCT. (b)

**Services.** Honeywell warrants that Services will be performed in a good workmanlike manner consistent with industry practices. This warranty is valid for ninety (90) calendar days from the date Services are performed. Honeywell's obligation and Company's sole remedy under this warranty is to correct or re-perform defective Services, at Honeywell's election, if Company notifies Honeywell in writing of defective Services within the warranty period. All Services corrected or re-performed are warranted for the remainder of the original warranty period. (c) **Disclaimer.** Honeywell will not be liable under this warranty if the Offering has been exposed or subjected to any: (1) maintenance, repair, installation, servicing, handling, packaging, transportation, shipping, storage, operation, testing, or use that is improper or otherwise not in compliance with Honeywell's instruction; (2) alteration, modification, or repair by anyone other than Honeywell or those specifically authorized by Honeywell; (3) act

of God, accident, fire or other hazard, contamination, foreign object damage, abuse, misuse, neglect, or negligence after shipment to Company or any other cause not within Honeywell's control, including Company's failure (or that of its customers) to apply required or recommended updates or patches to any Software or device in the Offering's network environment; (4) damage caused by failure of a Honeywell supplied Offering not under warranty or by any hardware or software not supplied by Honeywell; (5) failure of electrical power, air conditioning, or humidity control beyond Honeywell's specific storage or shipping conditions; or (6) use of counterfeit or replacement parts that are neither manufactured nor approved by Honeywell for use in Honeywell's Offerings. Honeywell has no obligation under this warranty unless Company maintains records that accurately document operating time, maintenance performed, and the nature of the unsatisfactory condition of Honeywell's Offering. Upon Honeywell's request, Company will give Honeywell access to these records for substantiating warranty claims. ADDITIONALLY, HONEYWELL IS NOT RESPONSIBLE AND SHALL HAVE NO LIABILITY FOR ANY ISSUES, PROBLEMS, UNAVAILABILITY, DELAY OR SECURITY INCIDENTS ARISING FROM OR RELATED TO: (A) CYBERATTACK; (B) THE PUBLIC INTERNET AND COMMUNICATIONS NETWORK; (C) DATA, SOFTWARE, HARDWARE, SERVICES, TELECOMMUNICATIONS, INFRASTRUCTURE OR NETWORKING EQUIPMENT NOT PROVIDED BY HONEYWELL, OR ACTS OR OMISSIONS OF THIRD PARTIES NOT UNDER HONEYWELL'S CONTROL; (D) BUYER'S NEGLIGENCE, OR THE NEGLIGENCE OF ANY USER, OR THE FAILURE OF ANY BUYER OR USER TO FOLLOW PUBLISHED DOCUMENTATION; (E) MODIFICATIONS OR ALTERATIONS NOT MADE BY HONEYWELL; (F) LOSS OR CORRUPTION OF DATA; (G) UNAUTHORIZED ACCESS VIA BUYER'S CREDENTIALS; OR (H) BUYER'S FAILURE TO USE COMMERCIALY REASONABLE ADMINISTRATIVE, PHYSICAL AND TECHNICAL SAFEGUARDS TO PROTECT ITS SYSTEMS OR DATA OR FOLLOW INDUSTRY-STANDARD SECURITY PRACTICES. THESE WARRANTIES ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, WHETHER WRITTEN, EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY, SATISFACTORY QUALITY, FITNESS FOR PURPOSE, AND NON-INFRINGEMENT OF THIRD PARTY RIGHTS. THE EXPRESS OBLIGATION OF HONEYWELL STATED IN THIS SECTION IS IN LIEU OF ANY OTHER LIABILITY OR OBLIGATION OF HONEYWELL, INCLUDING WITHOUT LIMITATION ANY LIABILITY OR OBLIGATION FOR DAMAGE, LOSS, OR INJURY (WHETHER DIRECT, INDIRECT, EXEMPLARY, SPECIAL, CONSEQUENTIAL, OR INCIDENTAL) ARISING OUT OF OR IN CONNECTION WITH THE DELIVERY, USE, OR PERFORMANCE OF THE OFFERING, EVEN IF INFORMED OF THE POSSIBILITY

OF SUCH DAMAGES AND NOTWITHSTANDING THE FAILURE OF THE ESSENTIAL PURPOSE OF ANY LIMITED REMEDY. NO EXTENSION OF THIS WARRANTY WILL BE BINDING UPON HONEYWELL UNLESS SET FORTH IN WRITING AND SIGNED BY HONEYWELL'S AUTHORIZED REPRESENTATIVE. ADDITIONALLY, THESE WARRANTIES ARE FOR THE BENEFIT OF COMPANY ONLY AND ARE NOT ASSIGNABLE OR TRANSFERABLE. THE EXPRESS WARRANTIES STATED IN THIS SECTION DO NOT APPLY TO OFFERINGS NOT MANUFACTURED BY HONEYWELL, SOFTWARE, CONSUMABLE ITEMS (E.G., PAPER AND RIBBONS), OR SPARE PARTS. IN ADDITION, THE EXPRESS WARRANTIES OF HONEYWELL STATED IN THIS SECTION DO NOT APPLY TO ANY SOFTWARE COMPONENT OF AN OFFERING WHICH IS SOLD OR LICENSED SUBJECT TO A SEPARATE LICENSE AGREEMENT OR OTHER DOCUMENT RELATING TO SUCH SOFTWARE COMPONENT (INCLUDING WITHOUT LIMITATION A "SHRINK WRAP" LICENSE AGREEMENT). THE WARRANTIES, IF ANY, APPLICABLE TO ANY SUCH SOFTWARE COMPONENT SHALL BE SOLELY AS STATED IN SUCH OTHER LICENSE AGREEMENT OR DOCUMENT. HONEYWELL MAKES NO WARRANTIES THAT THE SOFTWARE COMPONENTS OF ANY OFFERING WILL OPERATE IN CONJUNCTION WITH ANY OTHER SOFTWARE OR WITH ANY EQUIPMENT OTHER THAN THE OFFERING.

**12. Recommendations.** Any recommendations or assistance provided by Honeywell concerning the use, design, application, or operation of the Offerings shall not be construed as conditions, representations, or warranties of any kind, express or implied, and such information is accepted by Company at Company's own risk and without any obligation or liability to Honeywell. It is Company's sole responsibility to determine the suitability of the Offerings for use in Company's application(s). The failure by Honeywell to make recommendations or provide assistance shall not give rise to any liability to Honeywell. Proper selection, use, maintenance and disposal of Offerings according to applicable laws, regulations, certifications and standards are Company's responsibility and Honeywell shall have no liability for violation thereof.

**13. Excusable Delay**

a. Force Majeure. Except for payment obligations, neither party will be liable to the other for any failure to meet its obligations due to any force majeure event. Notwithstanding the prior sentence, quantities affected by this Force Majeure clause may, at the option of Honeywell, be eliminated from the Agreement without liability, but the Agreement will otherwise remain unaffected. Force majeure is an event beyond the reasonable control of the non-performing party and includes, without limitation: 1. Delays or refusals to grant an export license or the

suspension or revocation thereof; 2. Any other acts of any government that would limit a party's ability to perform under this Agreement; 3. Fires, earthquakes, floods, tropical storms, hurricanes, tornadoes, severe weather conditions, or any other acts of God; 4. Pandemics, epidemics, quarantines, or regional medical crises; 5. The presence of Hazardous Substances or Mold; 6. Shortages or inability to obtain materials, equipment, energy, or components; 7. Labor strikes or lockouts; 8. Riots, strife, insurrection, civil disobedience, landowner disturbances, armed conflict, terrorism, or war, declared or not (or impending threat of any of the foregoing, if such threat might reasonably be expected to cause injury to people or property); 9. Inability or refusal by Company's directed third-party suppliers to provide Honeywell parts, services, manuals, or other information necessary to the Offerings to be provided by Honeywell under this Agreement; or 10. Any other cause beyond the non-performing party's reasonable control.

If a force majeure event causes a delay, then the date of performance will be extended by the period of time that the non-performing party is actually delayed, or for any other period as the parties may agree in writing. When performance is excused, Honeywell may allocate its services or its supplies of materials and products in any manner that is fair and reasonable. However, Honeywell will not be obligated to obtain services, materials or products from other sources or to allocate materials obtained by Honeywell from third parties for Honeywell's internal use. Should any part of the system or any equipment in each case that are related to the Offering be damaged by fire, water, lightning, acts of God, the presence of Hazardous Substances or Mold, third parties, or any other cause beyond the control of Honeywell, any repairs or replacement shall be paid for by Company.

For the avoidance of doubt, there need not be a Force Majeure Event to invoke Section 8 (Surcharges). In the event that a Force Majeure Event is ongoing for a period of time which is ninety (90) days or longer, Honeywell may provide notice to Company that it is cancelling any affected outstanding Orders or affected portion thereof.

b. COVID-19. Notwithstanding any other provision of this Agreement, in light of the COVID-19 pandemic, the effects of which cannot be foreseen, the Parties agree that Honeywell shall be entitled to an equitable extension of time to deliver or perform its Work and appropriate additional compensation to the extent Honeywell's delivery or performance, or the delivery or performance of its suppliers and/or subcontractors, is in any way delayed, hindered or otherwise affected by the COVID-19 pandemic.

**14. Governing Law and Disputes.** All questions or disputes arising out of or relating to this Agreement and its interpretation or enforcement (including its, breach, validity and termination), and the Parties' relationship, rights and liabilities relating hereto, whether arising in contract or otherwise ("Dispute"), shall be governed by the laws of the country where Honeywell as the selling party is registered without giving effect to any choice or conflict of law provision. Honeywell and Buyer expressly agree to exclude from this Agreement the Uniform Computer Information Transactions Act and United Nations Convention on Contracts for the International Sale of Goods, 1980, and any successor thereto. Any dispute arising out of or in connection with this Agreement, including any question regarding its existence, validity or termination, shall be referred to and finally resolved in accordance with the Attachment B hereto. Buyer will not bring a legal or equitable action more than one year or other limitations of action under the applicable law after the cause of action arose unless a shorter period is provided by applicable law. EACH PARTY EXPRESSLY WAIVES ANY RIGHT TO A TRIAL.

**15. BY JURY RELATED TO THIS AGREEMENT.** Before the Parties initiate any dispute resolution process other than injunctive relief, the Parties must schedule a mandatory executive resolution conference to be held within thirty (30) days of receipt of the other Party's written request. The conference must be attended by at least one executive from each party. At the conference, each party will present its view of the Dispute in detail and the executives will enter into good faith negotiations in an attempt to resolve the Dispute. If the dispute is not resolved within fifteen (15) days of the end of the conference, then either party may pursue resolution of the Dispute consistent with the other terms of this Agreement.

**16. Termination.** Honeywell may terminate this Agreement and any

or all unperformed Orders immediately upon notice to Company upon the occurrence of any of the following events: (a) Company fails to perform or breaches any of its obligations and covenants under this Agreement, and such default continues for more than sixty (60) days after written notice specifying the failure to perform or breach (unless such breach is determined to be incapable of cure, determined in Honeywell's sole discretion, in which case termination is effective immediately); (b) Company fails to make any payment hereunder due within five (5) calendar days after written notice of such non-payment; (c) attempted assignment of this Agreement by Company or any rights hereunder without Honeywell's prior written consent, which includes a sale or transfer of substantially all of Company's assets, a majority interest in its voting stock, or a merger or consolidation with one or more entities; (d) Company experiences one or more of the following insolvency-related circumstances: (i) it ceases to function as a going concern or to conduct its operations in the normal course of business (including an inability to meet obligations as they mature), (ii) a receiver is appointed for its assets, (iii) bankruptcy or insolvency proceedings are brought by or against it, or (iv) it makes an assignment for the benefit of creditors; (e) Company violates the law or any of its owners, officers, principals, members or partners is indicted or convicted on charges of felony, conversion, embezzlement or any morally reprehensible act which could, in Honeywell's sole discretion, adversely impact Honeywell; or (f) Company engages in any conduct or practice which, in Honeywell's sole discretion, is or could be detrimental or harmful to the good name, goodwill and reputation of Honeywell or OFFERING. Termination does not affect any debt, claim, or cause of action accruing to any party against the other before the termination. The rights of termination provided in this clause are not exclusive of other remedies that a party may be entitled to under this Agreement or in law or equity, including, without limitation, payment for services performed and for losses sustained for materials, tools, construction equipment and machinery, reasonable overhead, profit, and applicable damages. Honeywell may suspend performance under this Agreement at Company's expense if Honeywell determines that performance may violate the law and/or cause a safety, security, or health risk.

**17. Limitation of Liability.**

A. IN NO EVENT SHALL HONEYWELL BE LIABLE UNDER THIS AGREEMENT, HOWEVER CAUSED AND REGARDLESS OF WHETHER LIABILITY ARISES FROM HONEYWELL'S INDEMNIFICATION OBLIGATIONS HEREUNDER OR A BREACH OF CONTRACT, WARRANTY, TORT (INCLUDING NEGLIGENCE), OPERATION OF LAW, OR OTHERWISE, AND EVEN IF THE PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF THE LIABILITY OR THE LIABILITY IS OTHERWISE

FORESEEABLE, FOR ANY LOST PROFITS OR REVENUE, SPECIAL, INCIDENTAL, INDIRECT, CONSEQUENTIAL, EXEMPLARY, OR PUNITIVE DAMAGES OF ANY KIND (INCLUDING ALL DAMAGES DUE TO BUSINESS INTERRUPTION, LOSS OR CORRUPTION OF DATA, OR LOST USE OF ANY PROPERTY OR CAPITAL) EVEN IF HONEYWELL HAS BEEN ADVISED OF OR IS OTHERWISE AWARE OF THE POSSIBILITY OF SUCH DAMAGES AND/OR CLAIMS.

B. ALL OFFERING CLAIMS ARE LIMITED TO THOSE EXCLUSIVE REMEDIES SET FORTH IN SECTION 11 (LIMITED WARRANTY) OF THIS AGREEMENT. HONEYWELL SHALL HAVE NO LIABILITY FOR ANY DAMAGES OR INJURIES ARISING FROM SERVICES PROVIDED BY BUYER TO ITS CUSTOMERS, INCLUDING SERVICES PERFORMED BY BUYER ON HONEYWELL OFFERINGS SOLD HEREUNDER, NOR SHALL HONEYWELL BE LIABLE FOR ANY CLAIMS OF THIRD PARTIES RELATING TO ANY OFFERINGS, SAVE THE INDEMNIFICATION OBLIGATIONS SET FORTH IN THIS AGREEMENT.

C. HONEYWELL'S AGGREGATE LIABILITY IN CONNECTION WITH THIS AGREEMENT, THE PARTIES' RELATIONSHIP, THE SALE OF OFFERING AND ANY PROVISION OF SERVICES TO BUYER, SHALL NOT EXCEED THE CONTRACT PRICE FOR THE SPECIFIC OFFERING THAT GIVE RISE TO THE CLAIM. ALL CLAIMS THAT A PARTY MAY HAVE WILL BE AGGREGATED, AND MULTIPLE CLAIMS WILL NOT ENLARGE THE FOREGOING LIMIT.

D. BUYER WILL NOT BRING A LEGAL OR EQUITABLE ACTION AGAINST HONEYWELL MORE THAN ONE YEAR AFTER THE FIRST EVENT GIVING RISE TO A CAUSE OF ACTION, UNLESS A SHORTER LIMITATIONS PERIOD IS PROVIDED BY APPLICABLE LAW.

E. The disclaimers, exclusions and limitations set forth herein shall apply even if the express warranties set forth in this Agreement fail of their essential purpose. The parties agree that Honeywell's prices for the Offerings provided hereunder are provided in reliance on the disclaimers, exclusions, and limitations set forth herein, and that such disclaimers, exclusions, and limitations are an agreed allocation of risk that are foundational to the bargain between the parties.

## 18. Confidentiality.

Honeywell may provide Buyer certain information during the performance or fulfillment of this Agreement that is not generally known, including financial information, trade secrets, know how, product data, samples, techniques, specifications, drawings, designs, design concepts, processes and testing methodologies ("Confidential Information"). All Confidential Information provided in connection with this Agreement shall

remain the property of Honeywell, shall be used only for the purpose of furthering the matters contemplated by this Agreement and shall be protected as confidential by Buyer using the same degree of care as it uses to protect its own confidential information of a similar type, but no less than a reasonable degree of care, for a period of ten (10) years following the date of disclosure. These obligations shall not apply to business contact information or other information which is: (a) publicly known at the time of disclosure or becomes publicly known through no fault of Buyer, (b) already known to Buyer at the time of disclosure through no wrongful act of Buyer (c) received from a third party without restrictions similar to those in this Section, or (d) independently developed by Buyer. Buyer may not disclose Confidential Information without the prior written consent of Honeywell, provided, however, that Buyer may disclose Confidential Information (i) to its Affiliates, employees, officers, consultants, agents, and contractors for the purposes of discharging this Agreement and complying with its legal obligations, and (ii) in response to a court order, government request, or other legally required request where it (A) provides Honeywell with sufficient notice and an opportunity to object to such disclosure (where possible) and (B) makes the disclosure subject to a protective order or other similar confidentiality restrictions. After termination or expiration of this Agreement and upon written request of Honeywell, Buyer will return or destroy all Confidential Information and all copies thereof, except for any Confidential Information that exists only as part of regularly generated electronic backup data or archive data, the destruction of which is not reasonably practicable.

## 19. Indemnity Against Patent and Copyright Infringement.

Honeywell will defend Buyer, its Affiliates and subcontractors against any third-party suit alleging that Buyer's use of the Offering (as provided by Honeywell) in accordance with this Agreement, directly infringes any United States third-party patent or copyright, and will pay for any final judgment awarded by a court of competent jurisdiction assessed against Buyer resulting from such suit; provided that Buyer promptly notifies Honeywell when it is apprised of the claim and provides complete authority, information, and assistance (at Honeywell's expense) as to the defense and disposition via counsel of Honeywell's choice. Honeywell will not be responsible for any compromise, settlement, attorneys' fees, expenses, damages, or costs incurred by Buyer without Honeywell's involvement and prior, written consent.

Honeywell will have no liability or obligation to defend and indemnify Company for infringement of a United States patent and Company is not subject to any actions for claims, damages, losses, costs and expenses, including reasonable attorneys' fees by a third party.

Honeywell has no obligation or liability for claims arising out of the following: (a) Offerings made to Buyer's designs, drawings, or

specifications; (b) use of Offerings in any process or in any manner not supported by the applicable Documentation; (c) combination or use of any Offering with materials not furnished by Honeywell; (d) use of a version of any Software other than the current version; (e) data Buyer provides; (f) Buyer's use of the outputs of the Offering; (g) any alteration, customization, or other modification of the Offering other than by Honeywell; or (h) damages based on a theory of liability other than infringement by the Offering. Further, Buyer agrees to defend, indemnify and hold the Honeywell Indemnitees harmless against any claim of infringement resulting from those circumstances set forth in subparagraphs (a)-(h) of this Section, as per the Indemnification Procedures of Section 30 (Indemnification). If a claim of infringement is made for which Honeywell has indemnification obligations or if Honeywell believes that such a claim is likely, Honeywell may, at its sole option and expense, (i) procure for Buyer the right to continue using the Offering or obtain a license to a reasonable substitute; (ii) replace or modify the Offering so that it is non-infringing; or (iii) in the case of Products and Software, require Buyer to return the Product (and terminate Buyer's license to the Software) in exchange for a credit of the purchase price or license fee, less reasonable depreciation and pro-ration of license fees for Software use. Further, Honeywell may cease shipping Products and Software it believes may be subject to a claim of infringement without being in breach of this Agreement. If the final judgment assessed against Buyer is based on the revenue generated from the use of the Offering, as opposed to from the sale of the Offering by Honeywell to Buyer (whether alone or in combination with any article or service not furnished by Honeywell), then Honeywell's liability under this indemnity, exclusive of defense costs, shall be limited to a reasonable royalty based on the contract price paid by Buyer to Honeywell for the Offering that gave rise to the claim. This Section shall be subject to Honeywell's rights under Section 16 (Limitation of Liability).

THIS PROVISION STATES THE PARTIES' ENTIRE LIABILITY, SOLE RECOURSE, AND THEIR EXCLUSIVE REMEDIES WITH RESPECT TO CLAIMS OF IP INFRINGEMENT. ALL OTHER WARRANTIES AGAINST INFRINGEMENT OF ANY INTELLECTUAL PROPERTY RIGHTS, STATUTORY, EXPRESS, IMPLIED, OR OTHER, ARE HEREBY DISCLAIMED.

**20. Software License.** Honeywell grants to Buyer a limited, worldwide (subject to Export/Import Control Laws), non-exclusive, non-transferable, non-assignable, revocable, object code license to software installed or embedded within a Product ("Embedded Software") solely for use with such Product. Except to the extent set forth in any separate license terms provided by Honeywell with such Embedded Software, in no event shall Buyer have any right to (or authorize or allow any third party to) copy, modify, distribute, sell, lend, rent, transfer, or convey the

Embedded Software; grant any sublicense, lease, or other rights in the Embedded Software; decompile, disassemble, reverse engineer, or otherwise attempt to reconstruct, identify, or discover any source code, underlying user interface architecture or techniques, or algorithms of the Embedded Software by any means; or take any action that would cause the Embedded Software or any portion of it to be placed in the public domain. In the event of a conflict between this Agreement and the terms of any Embedded Software license terms provided upon download or purchase, the relevant license terms shall control solely with respect to Embedded Software. If Embedded Software is listed on an Order placed pursuant to this Agreement, the Embedded Software is limited to such Products and/or location(s) as are specified on the relevant Order. If Embedded Software is embedded in a Product listed on an Order (regardless of whether such Software is specifically referenced on the Order), Buyer may only transfer its license to the Embedded Software to a third party in conjunction with the sale by Buyer of the Product on which the Embedded Software is installed or embedded, provided that no proprietary information is removed from such Products with Embedded Software (including copyrights, patent marking, trademarks, or EULAs). Buyer is responsible for ensuring that any distribution and use of Embedded Software to and by its customers or end users is subject to each customer or end user entering into an agreement with Buyer containing the same obligations and restrictions contained herein. All Products with Embedded Software are licensed on a non-exclusive basis and are not sold. Honeywell may terminate any Embedded Software license for failure to comply with the terms of the foregoing.

**21. Special Tooling and Data.** Special Tooling includes, but is not limited to, jigs, dies, fixtures, molds, patterns, special taps, special gauges, special test equipment, other special equipment and manufacturing aids, and replacement items, now existing or created in the future, together with all related specifications, drawings, engineering instructions, data, material, equipment, software, processes, and facilities created or used by Honeywell in the performance of its obligations under this Agreement. Honeywell owns all Special Tooling, except to the extent an authorized representative of Honeywell specifically transfers title for any Special Tooling in writing to Company. Any transfer of title to Special Tooling does not include transfer of Honeywell's intellectual property used to create, or that may be embodied in the Special Tooling, other than a license to use the Special Tooling without modification.

**22. Compliance.**

A. Buyer certifies it has read, understands, and agrees to abide by the provisions of the Honeywell Code of Business Conduct (the "Code of Conduct"), available at <https://www.honeywell.com/who-Honeywell-are/integrity-and-compliance>. Buyer further acknowledges and agrees that it shall

at its sole cost and expense, comply with all applicable laws, rules, regulations, decrees, and other requirements relating to or affecting this Agreement, the Offerings (including their sale, transfer, handling, storage, use, disposal, export, reexport, and transshipment), the activities to be performed by Buyer, or the facilities and other assets used by Buyer in performing its obligations under this Agreement, including filing all required reports relating to such performance (including tax returns), paying all filing fees and federal, state and local taxes applicable to its business as the same shall become due and paying all amounts required under the local, state and federal laws governing workers' compensation, disability benefits, unemployment insurance, and other employee benefits. This obligation further includes, but is not limited to, Buyer's confirmation of and agreement with the representations and warranties set forth in the following subparagraphs. Buyer will defend, indemnify and hold the Honeywell Indemnities harmless from and against any Claims arising out of Buyer's non-compliance with this Section and its subparagraphs, pursuant to the Indemnification Procedures of Section 30 (Indemnification).

B. Sanctions Compliance. Buyer represents, warrants, that

i. It is not a "Sanctioned Person," meaning any individual or entity: (i) named on a governmental denied party or restricted list, including: the Office of Foreign Assets Control ("OFAC") list of Specially Designated Nationals and Blocked Persons, the OFAC Sectoral Sanctions Identifications List ("SSI List"), and the sanctions lists under any other Sanctions Laws; (ii) organized under the laws of, ordinarily resident in, or physically located in a jurisdiction subject to comprehensive sanctions administered by OFAC (currently Cuba, Iran, North Korea, Syria, and the Crimea, so-called Donetsk People's Republic, or so-called Luhansk People's Republic regions of Ukraine/Russia) ("Sanctioned Jurisdictions"); and/or (iii) owned or controlled, directly or indirectly, 50% or more in the aggregate by one or more of any of the foregoing. Buyer will not submit to the Offering any data subject to the U.S. International Traffic in Arms Regulations or other Sanctions Laws. Buyer's violation of this Section will be a material breach.

ii. Relating to this Agreement and the transactions contemplated hereby, Buyer is in compliance with and will continue to comply with all economic Sanctions Laws administered by OFAC, other U.S. regulatory agencies, the European Union and its Member States, the United Kingdom, and the United Nations ("Sanctions Laws"). Buyer will not involve any Sanctioned Persons in any capacity, directly or indirectly, in any part of this transaction and performance under this transaction. Buyer will not take any action that would cause Honeywell to be in violation of Sanctions Laws.

iii. Buyer will not sell, export, re-export, divert, use, or otherwise transfer any Honeywell products, technology, software, or proprietary information: (i) to or for any Sanctioned

Persons or to or involving Sanctioned Jurisdictions; or (ii) for purposes prohibited by any Sanctions Laws. Buyer will not source any components, technology, software, or data for utilization in Honeywell Offerings: (i) from any Sanctioned Persons or Sanctioned Jurisdictions or (ii) in contravention of any Sanctions Laws.

iv. Buyer's failure to comply with this provision will be deemed a material breach of this Agreement, and Buyer will notify Honeywell immediately if it violates, or reasonably believes that it will violate, any terms of this Section. Buyer agrees that Honeywell may take any and all actions required to ensure full compliance with all Sanctions Laws without Honeywell incurring any liability.

C. Export and Import Compliance. Buyer will not distribute, resell, export or re-export any Products, technical data, Software, plans, or specifications dealing with an Offerings ("Restricted Items"), or take any actions in relation to or in furtherance of this Agreement which are contrary to U.S. Department of State International Traffic in Arms Regulations ("ITAR") or the U.S. Department of Commerce Export Administration Regulations ("EAR") or any other applicable export control, import control, and economic sanction laws and regulations of any country or countries (collectively, "Export/Import Control Laws"). Buyer acknowledges that Export/Import Control Laws may control not only the sale, resale, export and re-export of Products but also the transfer of other Restricted Items. Buyer agrees that it will not sell, re-sell, export, re-export or otherwise transfer any of the Restricted Items in any form, either directly or indirectly, in violation of any Export/Import Control Laws. Further, Buyer shall take no action that would cause Honeywell to be in violation of any Export/Import Control Laws. Buyer further acknowledges that U.S. Export/Import Control Laws (ITAR and EAR) include prohibitions against selling any product to U.S. embargoed countries (currently, Cuba, Iran, North Korea, Syria, and Sudan); prohibitions against sales of ITAR product to any country with which the U.S. maintains an arms embargo; prohibitions against sale of certain EAR-controlled product for China military end-use; and other restrictions. Buyer will immediately notify Honeywell and cease activities with regard to the transaction in question if it knows or has a reasonable suspicion that any Restricted Items may be redirected to other countries in violation of Export/Import Control Laws. Honeywell will apply for United States Government export authorizations required for delivery of any goods, services or technical data under this Agreement. Buyer will promptly provide all information required by Honeywell to complete the authorization application. Buyer will apply for all other necessary import, export or re-export approvals. Honeywell will not be liable to Buyer for any failure to provide any Offering or other Restricted Item as a result of government actions that impact Honeywell's ability to perform, including:

i. The failure to provide or the cancellation of export or re-export licenses;

ii. Any subsequent interpretation of applicable import, transfer, export or re-export law or regulation after the

date of any order or commitment that has a material adverse effect on Honeywell's performance; or

iii. Delays due to Buyer's failure to follow applicable import, export, transfer, or re-export laws and regulations.

If Buyer designates the freight forwarder for export shipments from the United States, then Buyer's freight forwarder will export on Buyer's behalf and Buyer will be responsible for any failure of Buyer's freight forwarder to comply with all applicable export requirements. Honeywell will provide Buyer's designated freight forwarder with required commodity information.

D. Anti-Bribery, Anti-corruption Laws.

i. Honeywell International Inc. is subject to national and international laws prohibiting bribery and corruption. Because Honeywell International Inc. is a US company, its employees and Affiliates, as well as all consortium bidding partners and any third party acting on its behalf must comply with the US Foreign Corrupt Practices Act ("FCPA") and similar anticorruption laws applicable in the countries where Honeywell operates.

ii. Buyer certifies that has read, understands, and agrees to abide by the provisions of, the Honeywell Code of Business Conduct, which is available at <https://www.honeywell.com/who-we-are/integrity-and-compliance>, and the Honeywell Anticorruption Policy, which is available at <https://www.honeywell.com/content/dam/honeywellbt/en/documents/downloads/Anticorruption%20Policy%202066%20pdf.pdf>.

iii. Buyer agrees that in connection with its activities under this Agreement, neither Buyer nor any agent, affiliate, employee, or other person acting on its behalf will offer, promise, give or authorize the giving of anything of value, or offer, promise, make or authorize the making of any bribe, rebate, payoff, influence payment, kickback or other unlawful payment to any government official or political party in order to obtain or retain business, gain any unfair advantage or influence any government official decision.

iv. If Honeywell has reason to believe that the provisions of this agreement may have been violated, Honeywell and its authorized representatives will have the right to audit, examine and make copies of all records that relate to this Agreement including financial, legal, tax, accounting, operational, labor, and regulatory information. Buyer will retain and preserve all records and materials including invoice records, pertaining to the Offerings provided under this Agreement for a period of 3 (three) years after the termination of this Agreement or for the period prescribed by applicable law, whichever period is longer.

v. In the event that Honeywell determines, in its sole discretion, that the Buyer has engaged in conduct that violates the Honeywell Anticorruption Policy or applicable anti-corruption laws and regulations, Honeywell immediately shall

have the right to terminate this Agreement.

vi. If Buyer learns of any violations of the above anticorruption provisions in connection with the performance of this agreement, it will immediately advise (a) Honeywell's Chief Compliance Officer, (b) any member of Honeywell's Integrity and Compliance Department or (c) the Honeywell Access Integrity Helpline ([AccessIntegrityHelpline@honeywell.com](mailto:AccessIntegrityHelpline@honeywell.com)). Buyer agrees to cooperate fully with any Honeywell investigation, audit or request for information under this Section.

E. EU WEEE Directive. To the extent applicable, Buyer agrees to comply with the European WEEE Directive 2012/19/EU or any other applicable law or regulation concerning the financing and organization of the disposal of waste electrical and electronic equipment, including responsibility for (i) all costs and liabilities associated with recycling Products, (ii) the collection of Products and their return, in accordance with all country specific applicable laws and regulations. Buyer shall indemnify Honeywell for all such costs and upon reasonable evidence of Honeywell having to incur any such costs. Buyer shall reimburse Honeywell within thirty (30) days of receipt of an invoice regarding the same.

F. Audit. Buyer will maintain complete, current and accurate records documenting the location, access and use of the Offering. During the Term and for 1 year thereafter (the "Audit Period"), Honeywell may: (a) require Buyer to send written certification of compliance with the terms and conditions of this Agreement within 30 days; and (b) upon reasonable notice, initiate an audit of the Buyer's records and electronic logs to verify Buyer's access to and use of any Offerings and Buyer's compliance with the terms and conditions of this Agreement, it being understood that any failure to deliver a certificate of compliance on a timely basis will extend the audit period and that any audit initiated within the audit period may permissibly be completed after the end of the audit period. Buyer may not take any steps to avoid or defeat the purpose of any such verification measures, and will cooperate with Honeywell to facilitate Honeywell's audit. If any audit reveals any underpayment, Buyer will promptly pay Honeywell the underpaid fees and related maintenance and support fees. If the underpayment is 5% or more of the Fees for the Offering in any 3-month period, Buyer will reimburse Honeywell for its audit costs and audit-related expenses.

G. Non-Compliance. Buyer's failure to comply with this provision will be deemed a material breach of this Agreement, and Buyer will notify Honeywell immediately if it violates, or reasonably believes that it will violate, any terms of this provision. Buyer agrees that Honeywell may take any and all actions required to ensure full compliance with all applicable laws, including Sanctions Laws, Export/Import Control Laws and anti-corruption laws, without Honeywell incurring any liability.

**23. Taxes.** Honeywell's pricing excludes all taxes (including but not

limited to sales, use, excise, environmental, value-added, and other similar taxes or fees imposed on the sale or transfer of goods or provision of services under this Agreement), tariffs and duties (including, but not limited to, amounts imposed upon the Offering(s) or bill of material thereof under any applicable tax laws and regulations and charges (collectively "Taxes"). Company will pay all Taxes resulting from the Agreement or Honeywell's performance under the Agreement, whether imposed, levied, collected, withheld, or assessed now or later. If Honeywell is required to impose, levy, collect, withhold, or assess any Taxes on any transaction under the Agreement, then in addition to the purchase price, Honeywell will invoice Buyer for such Taxes unless, at the time of Order placement, Buyer furnishes Honeywell with a valid exemption certificate or other documentation sufficient to verify exemption from the Taxes, including, but not limited to, a direct pay permit. If any Taxes are required to be withheld from amounts paid or payable to Honeywell under this Agreement, (i) the amount due to Honeywell will be increased so that the amount Honeywell receives, net of the Taxes withheld, equals the amount Honeywell would have received had no Taxes been required to be withheld, (ii) Buyer will withhold the required amount of Taxes and pay such Taxes on behalf of Honeywell to the relevant taxing authority in accordance with applicable law, and (iii) Buyer will forward proof of such withholding sufficient to establish the withholding amount and recipient to Honeywell within sixty (60) days of payment. In no event will Honeywell be liable for Taxes paid or payable by Buyer.

**24. Notices.** Every notice between the parties relating to the performance or administration of this Agreement will be made in writing and, if to Company, to Company's authorized representative or, if to Honeywell, to Honeywell's authorized representative. All notices required under this Agreement will be deemed received either: (a) two (2) calendar days after mailing by certified mail, return receipt requested and postage prepaid; (b) one (1) business day after deposit for next day delivery with a commercial overnight carrier provided the carrier obtains a written verification of receipt from the receiving Party; or (c) if sent by e-mail, upon receipt of a non-automated response from the receiving Party confirming receipt of the notice. All non-electronic notices must be addressed as follows: HONEYWELL at Building 1, Lane 555 Huanke Rd., Pudong, Shanghai, China Attn: IA APAC General Counsel.

**25. General Provisions.** (a) **Assignment.** Honeywell may assign or transfer this Agreement, and assign its rights and delegate its obligations. Buyer shall not assign this Agreement, whether by merger, consolidation, operation of law or otherwise, and any attempt to do so without Honeywell's prior written consent shall be null and void. This Agreement shall inure to the benefit of and be binding upon any successor or permitted assign of the Parties. Notwithstanding anything to the contrary herein,

Honeywell may engage subcontractors to perform any of its obligations under this Agreement. Use of a subcontractor will not release Honeywell from liability under this Agreement for performance of the subcontracted obligations. Without limiting the generality of the foregoing, Honeywell may assign this Agreement and its rights relating to payment for sales made under this Agreement without Buyer's consent and, notwithstanding any confidentiality obligations, may provide any purchaser of any such rights information and documents reasonably related to such sales, provided such purchaser has a confidentiality agreement in place with Honeywell that precludes disclosure of any Buyer confidential information to any third party without Buyer's consent. (b) **Commercial Use.** Except as expressly identified on the face of a Order, Buyer represents and warrants that any technical data or software provided by Honeywell to Buyer under this Agreement will not be delivered, directly or indirectly, to any agency of any government in the performance of a contract, or subcontract, with the respective government (other than an agency who is enumerated as an end-user of the Work under this Agreement) without the prior written consent of Honeywell. (c) **Counterparts.** This Agreement may be signed in counterparts (including faxed and any electronic or digital format), each of which will be deemed one and the same original. Reproductions of this executed original (with reproduced signatures) will be deemed to be original counterparts of this Agreement. (d) **Headings and Captions.** Headings and captions are for convenience of reference only and do not alter the meaning or interpretation of this Agreement. (e) **Publicity.** Neither Party will issue any press release or make any public announcement relating to the subject matter of this Agreement without the prior written approval of the other Party, except that either Party may make any public disclosure it believes in good faith is required by applicable law or any listing or trading agreement concerning its or its affiliates' publicly traded securities. Notwithstanding the foregoing, if either Party, or a third party, makes a public disclosure related to this Agreement that is false or damaging to a Party, the aggrieved Party will have the right to make a public response reasonably necessary to correct any misstatement, inaccuracies or material omissions in the initial and wrongful affirmative disclosure without prior approval of the other Party. Neither Party will be required to obtain consent pursuant to this section for any proposed release or announcement that is consistent with information that has previously been made public without breach of its obligations under this clause. Notwithstanding the foregoing, Honeywell may list Buyer and its logo as a customer on Honeywell's website and in marketing materials. (f) **Independent Contractors.** The Parties acknowledge that they are independent contractors and not the legal representative, agent, partner, employee, franchisee, joint venture or other representative of the other, and none of their respective employees, agents, or representatives shall be treated

as an employee of the other for any purpose, including tax and social security coverage and withholding, or any employee benefits. Except as provided herein, neither party has any right or authority to assume or create any obligations of any kind or to make any representations or warranties, whether expressed or implied, on behalf of the other, or to bind the other in any respect whatsoever. Neither party shall hold itself out as, or represent to any third party that it is, affiliated with the other party in any way. Furthermore, nothing contained in this Agreement shall be construed to constitute Buyer as an exclusive purchaser of the Offerings. **(g) Remedies.** Except where specified to the contrary, the express remedies provided in this Agreement for breaches by Honeywell are in substitution for remedies provided by law or otherwise. If an express remedy fails its essential purpose, then Company's remedy will be a refund of the price paid. **(h) Severability.** If any provision or portion of a provision of this Agreement is determined to be illegal, invalid, or unenforceable, the validity of the remaining provisions will not be affected. The Parties may agree to replace the stricken provision with a valid and enforceable provision. **(i) Subcontractors.** Honeywell has the right to subcontract its obligations under this Agreement.
