

# SMARTER PRINTING STARTS HERE

Eliminate Downtime And Power Your Operations

## UNLOCK OPERATIONAL EFFICIENCY WITH HONEYWELL PRINTERS AND SOTI CONNECT

In today's fast-paced business environment, every second counts. Don't let downtime jeopardize your business: printer outages can lead to costly delays, frustrated customers and disrupted operations. Investing in the right hardware and advanced management tools is essential to keep your operations running smoothly.

## WHY HONEYWELL PRINTERS ARE YOUR BEST CHOICE FOR EFFICIENCY

Honeywell printers are designed for industries where reliability and speed are critical. Engineered for high-volume, mission-critical workflows, they integrate effortlessly into your operations – whether you're labelling thousands of packages in a distribution center or processing sales on the retail floor.

Rugged, reliable, and versatile, Honeywell printers form the backbone of efficient on-demand printing. With features such as an ergonomic design and rapid printing speeds, our suite of mobile, desktop and industrial printers is perfectly positioned to meet your operational demands.

## HOW SOTI CONNECT ELEVATES THE EXPERIENCE

SOTI Connect enhances Honeywell's advanced hardware solutions, offering improved visibility and centralized control for printer management.

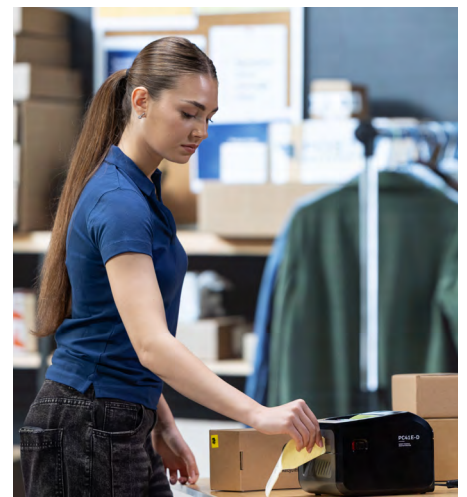

## KEY FEATURES OF SOTI CONNECT:

- **Faster Deployments, Lower Costs:** Remotely configure and deploy printers in minutes, reducing time and saving on deployment costs.
- **Minimize Downtime:** Predict and prevent issues with real-time alerts to keep your printers operational – even during peak times.
- **Strengthen Security:** Automate firmware updates and ensure compliance with IT policies to safeguard your workflow.

## REAL-WORLD RESULTS: SUCCESS STORIES

- **Logistics on the Move:** A global logistics provider significantly reduced downtime and operational costs while increasing revenue. With predictive maintenance powered by SOTI Connect, their printer fleet stayed operational, even during peak delivery seasons.

- **Retail Made Reliable:** A major retailer centralized management across hundreds of locations, eliminating costly manual troubleshooting. Seasonal peaks are now hassle-free, thanks to remote real-time monitoring via SOTI Connect.

## THE STRATEGIC SOLUTION FOR FUTURE-READY PRINTING

The partnership between Honeywell and SOTI empowers enterprises to modernize their print operations, reduce downtime, enhance efficiency, and improve customer experiences.
