

HONEYWELL AND SOTI STRONGER TOGETHER

Transforming Print Solutions

SETTING A NEW STANDARD IN PRINT SOLUTIONS

In today's fast-paced business world, efficient and reliable print solutions are more crucial than ever. Honeywell delivers a comprehensive suite tailored for logistics, retail, manufacturing, and healthcare industries. Our desktop, industrial and mobile printers, built on the innovative Printer Edge™ platform, are designed for high performance and enhanced security. Our partnership with SOTI ensures your printing operations are not only robust and versatile but also seamlessly integrated and easy to manage.

THE PERFECT PARTNERSHIP FOR NEXT LEVEL PRINTING

By combining Honeywell's state-of-the-art printing technologies with SOTI's advanced enterprise software, organizations gain a substantial edge. This partnership enhances reliability, empowers informed operational decision making, and ensures continuity, like never before – meeting the demands of a dynamic marketplace.

- **Better Security:** Protect your network with centralized printer management that reduces security risks and unauthorized access.

- **Reduced Downtime:** Optimize your operations with proactive management, keeping your printers performing at peak efficiency.

- **Lower Costs:** Streamline your resource usage with efficient printer management, improving asset performance and total cost of ownership.

REAL-WORLD IMPACT: READY FOR ANY CHALLENGE

In an environment where printing is often an overlooked asset, Honeywell and SOTI bring focus and innovation together. Our unique approach

differentiates us from traditional solutions, providing intelligent printer management across multi-vendor fleets. Gain centralized control, enhance security, and achieve unmatched productivity.

"Honeywell barcode and RFID printers are best in class and purpose-built for demanding supply chain uses. The combination with SOTI Connect device management makes them a strong alliance to maximize asset performance and improve TCO for our joint customers,"
